

**Vernon High
School
2011-2012
Student
Handbook**

Alma Mater

Hail to Vernon High School

honor and all praise;

Hail to alma mater,

true to thee we'll be always;

Through the hallowed portals,

till the end of time,

Send thy sons and daughters

to stand beside immortals

Hail to thee, O Vernon High

PREFACE

To Students and Parents:

Welcome to school year 2011–2012! Education is a team effort, and we know that students, parents, teachers, and other staff members all working together can make this a wonderfully successful year for our students.

The Vernon High School Student Handbook is designed to provide a resource for some of the basic information that you and your child will need during the school year. In an effort to make it easier to use, the handbook is divided into two sections:

Section I—PARENTAL RIGHTS AND RESPONSIBILITIES—provides information to assist you in responding to school-related issues. We encourage you to take some time to closely review this section of the handbook.

Section II—OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS—organized alphabetically by topic for quick access when searching for information on a specific issue.

Please be aware that the term “the student’s parent” is used to refer to the parent, legal guardian, or any other person who has agreed to assume school-related responsibility for a student.

Both students and parents should become familiar with the VISD Student Code of Conduct, which is a document adopted by the board and intended to promote school safety and an atmosphere for learning. That document may be found as a separate document sent home to parents and posted at www.vernonisd.org or available in the principal’s office.

The Student Handbook is designed to be in harmony with board policy and the Student Code of Conduct. Please be aware that the handbook is updated yearly, while policy adoption and revision may occur throughout the year. Changes in policy or other rules that affect Student Handbook provisions will be made available to students and parents through newsletters or other communications.

In case of conflict between board policy (including the Student Code of Conduct) and any provisions of the Student Handbook, the current provisions of board policy and the Student Code of Conduct are to be followed.

After reading through the entire handbook with your child, keep it as a reference during this school year. If you or your child has questions about any of the material in this handbook, please contact a teacher, the counselor, or the principal.

Also, please complete and return to your child’s campus the following required forms included in this handbook or provided in the forms packet accompanying this handbook:

1. Parental Acknowledgment Form;
2. Student Directory Information and Release of Student Information Form;
3. Release of Information to Military Recruiters and Institutions of Higher Education Form; and
4. Consent/Opt-Out Form.

Please note that references to policy codes are included so that parents can refer to current board policy. A copy of the district's policy manual is available for review in the school office or at www.vernonisd.org.

SECTION I: PARENTAL RIGHTS AND RESPONSIBILITIES

This section of the Vernon High School Student Handbook includes information on topics of particular interest to you as a parent.

PARENTAL INVOLVEMENT

Working Together

Both experience and research tell us that a child's education succeeds best when there is good communication and a strong partnership between home and school. Your involvement in this partnership may include:

- Encouraging your child to put a high priority on education and working with your child on a daily basis to make the most of the educational opportunities the school provides.
- Ensuring that your child completes all homework assignments and special projects and comes to school each day prepared, rested, and ready to learn.
- Becoming familiar with all of your child's school activities and with the academic programs, including special programs, offered in the district.
- Discussing with the counselor or principal any questions you may have about the options and opportunities available to your child.
- Reviewing the requirements of the graduation programs with your child once your child begins enrolling in courses that earn high school credit.
- Monitoring your child's academic progress and contacting teachers as needed
- Attending scheduled conferences and requesting additional conferences as needed. To schedule a telephone or in-person conference with a teacher, counselor, or principal, please call the school office at (940) 553-3377 for an appointment. The teacher will usually return your call or meet with you during his or her conference period or before or after school
- Becoming a school volunteer. Contact Vernon High School at (940) 553-3377
- Participating in campus parent organizations. Parent organizations include:
- Serving as a parent representative on the district-level or campus-level planning committees, assisting in the development of educational goals and plans to improve student achievement. For further information, see policies at BQA and BQB, and contact Vernon High School at (940) 553-3377.
- Serving on the School Health Advisory Council (SHAC), assisting the district in ensuring local community values are reflected in health education instruction.
- Attending board meetings to learn more about district operations.
-

PARENTAL RIGHTS

Obtaining Information and Protecting Student Rights

Your child will not be required to participate without parental consent in any survey, analysis, or evaluation—funded in whole or in part by the U.S. Department of Education—that concerns:

- Political affiliations or beliefs of the student or the student’s parent.
- Mental or psychological problems of the student or the student’s family.
- Sexual behavior or attitudes.
- Illegal, antisocial, self-incriminating, or demeaning behavior.
- Critical appraisals of individuals with whom the student has a close family relationship.
- Relationships privileged under law, such as relationships with lawyers, physicians, and ministers.
- Religious practices, affiliations, or beliefs of the student or parents.
- Income, except when the information is required by law and will be used to determine the student’s eligibility to participate in a special program or to receive financial assistance under such a program.

You will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation. For more information, contact the Parent Involvement Coordinator; Marylin Leasure at 553-1900.

“Opting Out” of Surveys and Activities

As a parent, you have a right to receive notice of and deny permission for your child’s participation in:

- Any survey concerning the private information listed above, regardless of funding.
- School activities involving the collection, disclosure, or use of personal information gathered from your child for the purpose of marketing or selling that information.
- Any nonemergency, invasive physical examination or screening required as a condition of attendance, administered and scheduled by the school in advance and not necessary to protect the immediate health and safety of the student. Exceptions are hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law. [See policies EF and FFAA.]

Inspecting Surveys

As a parent, you may inspect a survey created by a third party before the survey is administered or distributed to your child.

Requesting Professional Qualifications of Teachers and Staff

You may request information regarding the professional qualifications of your child’s teachers, including whether a teacher has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; whether the teacher has an emergency permit or other provisional status for which state requirements have been waived; and undergraduate and graduate degree majors, graduate certifications, and the field of study of the

certification or degree. You also have the right to request information about the qualifications of any paraprofessional who may provide services to your child.

Reviewing Instructional Materials

As a parent, you have a right to review teaching materials, textbooks, and other teaching aids and instructional materials used in the curriculum, and to examine tests that have been administered to your child.

Displaying a Student's Artwork and Projects

Teachers may display students' work in classrooms or elsewhere on campus as recognition of student achievement. However, the district will seek parental consent before displaying students' artwork, special projects, photographs taken by students, and the like on the district's Web site, in printed material, by video, or by any other method of mass communication.

Accessing Student Records

You may review your child's student records. These records include:

- Attendance records,
- Test scores,
- Grades,
- Disciplinary records,
- Counseling records,
- Psychological records,
- Applications for admission,
- Health and immunization information,
- Other medical records,
- Teacher and counselor evaluations,
- Reports of behavioral patterns, and
- State assessment instruments that have been administered to your child.

Granting Permission to Video or Audio Record a Student

As a parent, you may grant or deny any written request from the district to make a video or voice recording of your child. State law, however, permits the school to make a video or voice recording without parental permission for the following circumstances:

- When it is to be used for school safety;
- When it relates to classroom instruction or a co-curricular or extracurricular activity; or
- When it relates to media coverage of the school.

Granting Permission to Receive Parenting and Paternity Awareness Instruction

As a parent, if your child is under the age of 14, you must grant permission for your child to receive instruction in the district's parenting and paternity awareness program or your child will not be allowed to participate in the instruction. This program, developed by the Office of the Texas Attorney General and the State Board of Education (SBOE), is incorporated into the district's health education classes.

Removing a Student Temporarily from the Classroom

You may remove your child temporarily from the classroom if an instructional activity scheduled in your child's classroom conflicts with your religious or moral beliefs. The removal cannot be for the purpose of avoiding a test and may not extend for an entire semester. Further, your child must satisfy grade-level and graduation requirements as determined by the school and by the Texas Education Agency.

As a parent, you are entitled to review the curriculum materials. In addition, you may remove your child from any part of this instruction with no academic, disciplinary, or other penalties. You may also choose to become more involved with the development of curriculum used for this purpose by becoming a member of the district's SHAC. Please see the campus principal for additional information.

Excusing a Student from Reciting the Pledges to the U.S. and Texas Flags

As a parent, you may request that your child be excused from participation in the daily recitation of the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. The request must be in writing. State law does not allow your child to be excused from participation in the required minute of silence or silent activity that follows.

Removing a Student from Human Sexuality Instruction

As a part of the district's curriculum, students receive instruction related to human sexuality. The School Health Advisory Council (SHAC) is involved with the selection of course materials for such instruction.

State law requires that any instruction related to human sexuality, sexually transmitted diseases, or human immunodeficiency virus or acquired immune deficiency syndrome must:

- Present abstinence from sexual activity as the preferred choice of behavior in relationship to all sexual activity for unmarried persons of school age;
- Devote more attention to abstinence from sexual activity than to any other behavior;
- Emphasize that abstinence is the only method that is 100 percent effective in preventing pregnancy, sexually transmitted diseases, and the emotional trauma associated with adolescent sexual activity;
- Direct adolescents to a standard of behavior in which abstinence from sexual activity before marriage is the most effective way to prevent pregnancy and sexually transmitted diseases;
- If included in the content of the curriculum, teach contraception and condom use in terms of human use reality rates instead of theoretical laboratory rates.

In accordance with state law, below is a summary of the district's curriculum regarding human sexuality instruction:

Human Sexuality instruction is covered in the VHS Health Curriculum.

As a parent, you are entitled to review the curriculum materials. In addition, you may remove your child from any part of this instruction with no academic, disciplinary, or other penalties. You may also choose to become more involved with the development of curriculum used for this purpose by becoming a member of the district's SHAC. Please see the campus principal for additional information.

Excusing a Student from Reciting a Portion of the Declaration of Independence

You may request that your child be excused from recitation of a portion of the Declaration of Independence. State law requires students in social studies classes in grades 3–12 to recite a portion of the text of the Declaration of Independence during Celebrate Freedom Week unless (1) you provide a written statement requesting that your child be excused, (2) the district determines that your child has a conscientious objection to the recitation, or (3) you are a representative of a foreign government to whom the United States government extends diplomatic immunity.

Requesting Notices of Certain Student Misconduct

A noncustodial parent may request in writing that he or she be provided, for the remainder of the school year, a copy of any written notice usually provided to a parent related to his or her child's misconduct that may involve placement in a disciplinary alternative education program (DAEP) or expulsion.

School Safety Transfers

As a parent, you have a right:

- To request the transfer of your child to another classroom or campus if your child has been determined by the board or its designee to have been a victim of bullying as the term is defined by Education Code 25.0341. Transportation is not provided for a transfer to another campus. See the superintendent or designee for information.
- To request the transfer of your child to attend a safe public school in the district if your child attends school at a campus identified by TEA as persistently dangerous or if your child has been a victim of a violent criminal offense while at school or on school grounds.
- To request the transfer of your child to another campus or a neighboring district if your child has been the victim of a sexual assault by another student assigned to the same campus, whether the assault occurred on or off campus, and that student has been convicted of or placed on deferred adjudication for that assault.

Requesting Classroom Assignment for Multiple Birth Siblings

As a parent, if your children are multiple birth siblings (e.g., twins, triplets, etc.) assigned to the same grade and campus, you may request that they be placed either in the same classroom or in separate classrooms. Your written request must be submitted no later than the 14th day after the enrollment of your children.

Parents of Students with Disabilities

Parents of students with learning difficulties or who may need special education services may request an evaluation for special education at any time. For more information, contact Rita Collier at 940-553-3377.

Options and Requirements for Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education

If a child is experiencing learning difficulties, the parent may contact the person listed below to learn about the district's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students including a process based on Response to Intervention. The implementation of Response to Intervention has the potential to have a positive impact on the ability of school districts to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services. Within a reasonable amount of time, the district must decide if the evaluation is needed. If the evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The district must complete the evaluation and the report within 60 calendar days of the date the district receives the written consent. The district must give a copy of the report to the parent.

If the district determines that the evaluation is not needed, the district will provide the parent with a written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parent of his or her rights if the parent disagrees with the district. Additionally, the notice must inform the parent how to obtain a copy of the ***Notice of Procedural Safeguards—Rights of Parents of Students with Disabilities***.

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is Rita Collier at 940-553-3377.

If a student is receiving special education services at a campus outside his or her attendance zone, the parent or guardian may request that any other student residing in the household be transferred to the same campus, if the appropriate grade level for the transferring student is offered on that campus.

Options and Requirements for Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education Services

If a child is experiencing learning difficulties, the parent may contact the person listed below to learn about the district's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the ability of school districts to meet the needs of all struggling students.

At any time, a parent is entitled to request an evaluation for special education services. Within a reasonable amount of time, the district must decide if the evaluation is needed. If the evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The district must complete the evaluation and the report within 60 calendar days of

the date the district receives the written consent. The district must give a copy of the report to the parent.

If the district determines that the evaluation is not needed, the district will provide the parent with prior written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights, if they disagree with the district. The district is required to give parents the *Notice of Procedural Safeguards—Rights of Parents of Students with Disabilities*. Additional information regarding the Individuals with Disabilities Education Act (IDEA) is available from the school district in a companion document, *A Guide to the Admission, Review, and Dismissal Process*.

The following Web sites provide information to those who are seeking information and resources specific to students with disabilities and their families:

- Texas Project First, at <http://www.texasprojectfirst.org/>
- Partners Resource Network, at <http://www.partnerstx.org/howPRNhelps.html>

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education services is Rita Collier at (940) 553-3377.

Parents of Students Who Speak a Primary Language Other than English

A student may be eligible to receive specialized support if his or her primary language is not English, and the student has difficulty performing ordinary class work in English. If the student qualifies for these extra services, the Language Proficiency Assessment Committee (LPAC) will determine the types of services the student needs, including accommodations or modifications related to classroom instruction, local assessments, and state-mandated assessments.

Accommodations for Children of Military Families

Children of military families will be provided flexibility regarding certain district requirements, including:

- Immunization requirements.
- Grade level, course, or educational program placement.
- Eligibility requirements for participation in extracurricular activities.
- Graduation requirements.

In addition, absences related to a student visiting with his or her parent related to leave or deployment activities may be excused by the district. More than 5 absences in one school year for military leave must be approved by the principal or superintendent. Additional information may be found at <http://www.tea.state.tx.us/index2.aspx?id=7995>.

Student Records

Both federal and state laws safeguard student records from unauthorized inspection or use and provide parents and eligible students certain rights of privacy. Before disclosing any personally identifiable information from a student's records, the district must verify the identity of the person, including a parent or the student, requesting the information. For purposes of student records, an "eligible" student is one who is 18 or older OR who is attending an institution of postsecondary education.

Virtually all information pertaining to student performance, including grades, test results, and disciplinary records, is considered confidential educational records. Release is restricted to:

- The parents—whether married, separated, or divorced—unless the school is given a copy of a court order terminating parental rights or the right to access a student’s education records.

Federal law requires that, as soon as a student becomes 18, is emancipated by a court, or enrolls in a postsecondary institution, control of the records goes to the student. The parents may continue to have access to the records, however, if the student is a dependent for tax purposes and under limited circumstances when there is a threat to the health and safety of the student or other individuals.

- District school officials who have what federal law refers to as a “legitimate educational interest” in a student’s records. School officials would include trustees and employees, such as the superintendent, administrators, and principals; teachers, counselors, diagnosticians, and support staff; a person or company with whom the district has contracted or allowed to provide a particular service or function (such as an attorney, consultant, auditor, medical consultant, therapist, or volunteer); a parent or student serving on a school committee; or a parent or student assisting a school official in the performance of his or her duties. “Legitimate educational interest” in a student’s records includes working with the student; considering disciplinary or academic actions, the student’s case, or an individualized education program for a student with disabilities; compiling statistical data; reviewing an educational record to fulfill the official’s professional responsibility; or investigating or evaluating programs.
- Various governmental agencies, including juvenile service providers.
- Individuals granted access in response to a subpoena or court order.
- A school or institution of postsecondary education to which a student seeks or intends to enroll or in which he or she is already enrolled.

Release to any other person or agency—such as a prospective employer or for a scholarship application—will occur only with parental or student permission as appropriate.

The principal is custodian of all records for currently enrolled students at the assigned school. The principal is the custodian of all records for students who have withdrawn or graduated.

Records may be inspected by a parent or eligible student during regular school hours. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records.

A parent or eligible student who provides a written request and pays copying costs of ten cents per page may obtain copies. If circumstances prevent inspection during regular school hours and the student qualifies for free or reduced-price meals, the district will either provide a copy of the records requested or make other arrangements for the parent or student to review these records. The address of the superintendent’s office is 1713 Wilbarger, Vernon Texas 76384.

The address of the principals’ office is: 2102 Yucca Lane, Vernon Texas 76384.

A parent (or eligible student) may inspect the student’s records and request a correction if the records are considered inaccurate, misleading, or otherwise in violation of the student’s privacy rights. A request to correct a student’s record should be submitted to the principal. The request

must clearly identify the part of the record that should be corrected and include an explanation of how the information in the record is inaccurate. If the district denies the request to amend the records, the parent or eligible student has the right to request a hearing. If the records are not amended as a result of the hearing, the parent or eligible student has 30 school days to exercise the right to place a statement commenting on the information in the student's record. Although improperly recorded grades may be challenged, contesting a student's grade in a course is handled through the general complaint process found in policy FNG(LOCAL). A grade issued by a classroom teacher can be changed only if, as determined by the board of trustees, the grade is arbitrary, erroneous, or inconsistent with the district's grading policy

The district's policy regarding student records found at FL(LEGAL) and (LOCAL) is available from the principal's or superintendent's office or on the district's Web site at www.vernonisd.org.

The parent's or eligible student's right of access to and copies of student records do not extend to all records. Materials that are not considered educational records—such as a teacher's personal notes about a student that are shared only with a substitute teacher—do not have to be made available to the parents or student.

Please note:

Parents or eligible students have the right to file a complaint with the U.S. Department of Education if they believe the district is not in compliance with federal law regarding student records. The complaint may be mailed to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

Directory Information

The law permits the district to designate certain personal information about students as “directory information.” This “directory information” will be released to anyone who follows procedures for requesting it.

However, release of a student's directory information may be prevented by the parent or an eligible student. This objection must be made in writing to the principal within ten school days of your child's first day of instruction for this school year.

Directory Information for School-Sponsored Purposes

The law permits the district to designate certain personal information about students as “directory information.” This “directory information” will be released to anyone who follows procedures for requesting it.

However, release of a student's directory information may be prevented by the parent or an eligible student. This objection must be made in writing to the principal within ten school days of your child's first day of instruction for this school year. [See the “Notice Regarding Directory Information and Parent's Response Regarding Release of Student Information” included in this handbook OR included in the forms packet.]

Release of Student Information to Military Recruiters and Institutions of Higher Education

The district is required by federal law to comply with a request by a military recruiter or an institution of higher education for students' names, addresses, and telephone listings, unless parents have advised the district not to release their child's information without prior written consent. A form has been attached for you to complete if you do not want the district to provide this information to military recruiters or institutions of higher education.

SECTION II: OTHER IMPORTANT INFORMATION FOR STUDENTS AND PARENTS

Topics in this section of the handbook contain important information on academics, school activities, and school operations and requirements. Take a moment with your child to become familiar with the various issues addressed in this section. It is organized in alphabetical order to serve as a quick-reference when you or your child has a question about a specific school-related issue. Should you be unable to find the information on a particular topic, please contact the principal at (940) 553-3377.

ABSENCES/ATTENDANCE

Regular school attendance is essential for a student to make the most of his or her education—to benefit from teacher-led and school activities, to build each day's learning on the previous day's, and to grow as an individual. Absences from class may result in serious disruption of a student's mastery of the instructional materials; therefore, the student and parent should make every effort to avoid unnecessary absences. Two state laws—one dealing with compulsory attendance, the other with attendance for course credit—are of special interest to students and parents. They are discussed below.

Compulsory Attendance

State law requires that a student between the ages of six and 18 attend school, as well as any applicable accelerated instruction program, extended year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

A student who voluntarily attends or enrolls after his or her 18th birthday is required to attend each school day until the end of the school year and is subject to compulsory attendance laws, if the student is under 21 years old. In addition, if a student 18 or older has more than five unexcused absences in a semester the district may revoke the student's enrollment. The student's presence on school property thereafter would be unauthorized and may be considered trespassing.

Exemptions to Compulsory Attendance

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

- Religious holy days;
- Required court appearances;
- Activities related to obtaining United States citizenship;
- Service as an election clerk; and

- Documented health-care appointments, including absences for recognized services for students diagnosed with autism spectrum disorders. A note from the health-care provider must be submitted upon the student's return to campus.

In addition, a junior or senior student's absence of up to two days related to visiting a college or university will be considered an exemption, provided the student receives approval from the campus principal, follows the campus procedures to verify such a visit, and makes up any work missed.

Failure to Comply with Compulsory Attendance

School employees must investigate and report violations of the state compulsory attendance law. A student absent without permission from school; from any class; from required special programs, such as additional special instruction, termed "accelerated instruction" by the state; or from required tutorials will be considered in violation of the compulsory attendance law and subject to disciplinary action.

A court of law may also impose penalties against both the student and his or her parents if a school-aged student is deliberately not attending school. A complaint against the parent may be filed in court if the student:

- Is absent from school on ten or more days or parts of days within a six-month period in the same school year, or
- Is absent on three or more days or parts of days within a four-week period.

If a student between the ages of 12 and 18 violates the compulsory attendance law, both the parent and student could be charged with a criminal offense.

If the student is age 18 or older, the student, but not the student's parents, would be subject to penalties as a result of the student's violation of state compulsory attendance law.

[See policy FEA(LEGAL).]

Attendance for Credit

To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. A student who attends at least 75 percent but fewer than 90 percent of the days the class is offered may receive credit for the class if he or she completes a plan, approved by the principal that allows the student to fulfill the instructional requirements for the class. If a student is involved in a criminal or juvenile court proceeding, the approval of the judge presiding over the case will also be required before the student receives credit for the class.

If a student attends less than 75 percent of the days a class is offered or has not completed a plan approved by the principal, then the student will be referred to the attendance review committee to determine whether there are extenuating circumstances for the absences and how the student can regain credit, if appropriate. [See policies at FEC.]

In determining whether there were extenuating circumstances for the absences, the attendance committee will use the following guidelines:

- All absences will be considered in determining whether a student has attended the required percentage of days. If makeup work is completed, absences for the reasons listed above at

Exemptions to Compulsory Attendance will be considered days of attendance for this purpose.

- A transfer or migrant student begins to accumulate absences only after he or she has enrolled in the district.
- In reaching a decision about a student's absences, the committee will attempt to ensure that it is in the best interest of the student.
- The committee will consider the acceptability and authenticity of documented reasons for the student's absences.
- The committee will consider whether the absences were for reasons over which the student or the student's parent could exercise any control.
- The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
- The student or parent will be given an opportunity to present any information to the committee about the absences and to talk about ways to earn or regain credit.

The student or parent may appeal the committee's decision to the board of trustees by filing a written request with the superintendent in accordance with policy FNG(LOCAL).

The actual number of days a student must be in attendance to receive credit will depend on whether the class is for a full semester or for a full year.

Parent's Note after an Absence

When a student must be absent from school, the student—upon returning to school—must bring a note signed by the parent that describes the reason for the absence. A student has twenty four hours upon his/her return to school to bring in the note. A note signed by the student, even with the parent's permission, will not be accepted unless the student is eighteen or older.

Doctor's Note after an Absence for Illness

Upon return to school, a student absent for more than three consecutive days because of a personal illness must bring a statement from a doctor or health clinic verifying the illness or condition that caused the student's extended absence from school. A student has twenty four hours upon his/her return to school to bring in the note.

Should the student develop a questionable pattern of absences, the principal or attendance committee may require a statement from a doctor or health clinic verifying the illness or condition that caused the student's absence from school.

Driver License Attendance Verification

For a student between the ages of sixteen and eighteen to obtain a driver license, the Texas Department of Public Safety must be provided written parental consent to access the student's records for purposes of verifying 90 percent attendance for credit for the semester.

ACADEMIC PROGRAMS

The school counselor provides students and parents information regarding academic programs to prepare for higher education and career choices.

BULLYING

Bullying occurs when a student or group of students engages in written or verbal expression or physical conduct against another student and the behavior:

- results in harm to the student or the student's property,
- places a student in fear of physical harm or of damage to the student's property, or
- is so severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment.

Bullying is prohibited by the district and could include hazing, threats, taunting, teasing, assault, demands for money, confinement, destruction of property, theft of valued possessions, name-calling, rumor-spreading, and ostracism. In some cases, bullying can occur through electronic methods, called "cyberbullying."

If a student believes that he or she has experienced bullying or has witnessed bullying of another student, it is important for the student or parent to notify a teacher, counselor, principal, or another district employee as soon as possible. The administration will investigate any allegations of bullying and will take appropriate disciplinary action if an investigation indicates that bullying has occurred. Disciplinary or other action may be taken even if the conduct did not rise to the level of bullying.

Any retaliation against a student who reports an incident of bullying is prohibited.

[FFI(LOCAL)]

CAREER AND TECHNICAL EDUCATION (CTE) PROGRAMS

The district offers career and technical education programs in nursing, computer aided graphics, office technology/business, cosmetology, child development, criminal justice, and auto mechanics. Admission to these programs is based on academics, attendance, test scores, and grades.

VISD will take steps to ensure that lack of English language skills will not be a barrier to admission and participation in all educational and CTE programs. CHILD SEXUAL ABUSE AND OTHER MALTREATMENT OF CHILDREN

The district has established a plan for addressing child sexual abuse and other maltreatment of children, which may be accessed at www.vernonisd.org. As a parent, it is important for you to be aware of warning signs that could indicate a child may have been or is being sexually abused. Sexual abuse in the Texas Family Code is defined as any sexual conduct harmful to a child's mental, emotional, or physical welfare as well as a failure to make a reasonable effort to prevent sexual conduct with a child. Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to Child Protective Services (CPS).

Possible physical warning signs of sexual abuse could be difficulty sitting or walking, pain in the genital areas, and claims of stomachaches and headaches. Behavioral indicators may include verbal references or pretend games of sexual activity between adults and children, fear of being alone with adults of a particular gender, or sexually suggestive behavior. Emotional warning signs to be aware of include withdrawal, depression, sleeping and eating disorders, and problems in school.

A child who has experienced sexual abuse or any other type of abuse or neglect should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that disclosures of sexual abuse may be more indirect than disclosures of physical abuse and neglect, and it is important to be calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing by telling you.

As a parent, if your child is a victim of sexual abuse or other maltreatment, the campus counselor or principal will provide information regarding counseling options for you and your child available in your area. The Texas Department of Family and Protective Services (TDFPS) also manages early intervention counseling programs. To find out what services may be available in your county, see

http://www.dfps.state.tx.us/Prevention_and_Early_Intervention/Programs_Available_In_Your_County/default.asp.

The following Web sites might help you become more aware of child abuse and neglect:

<http://www.childwelfare.gov/pubs/factsheets/signs.cfm>

<http://sapn.nonprofitoffice.com/>

<http://www.taasa.org/member/materials2.php>

http://www.oag.state.tx.us/AG_Publications/txts/childabuse1.shtml

http://www.oag.state.tx.us/AG_Publications/txts/childabuse2.shtml

Reports may be made to:

The Child Protective Services (CPS) division of the Texas Department of Family and Protective Services (1 800-252-5400 or on the Web at <http://www.txabusehotline.org>).

CLASS RANK / HIGHEST RANKING STUDENT

**Please see Vernon High Schools Course curriculum guide available in the counselors office. For further information, see policies at EIC.

CLASS SCHEDULES

All students are expected to attend school for the entire school day and maintain a class/course schedule to fulfill each period of the day. Exceptions may be made occasionally by the campus principal for students in grades 9–12 who meet specific criteria and receive parental consent to enroll in less than a full-day's schedule.

COLLEGE CREDIT COURSES

Students in grades 9–12 have opportunities to earn college credit through the following methods:

- Certain courses taught at the high school campus, which may include courses termed dual credit, Advanced Placement (AP), or International Baccalaureate (IB);
- Enrollment in an AP or dual credit course through the Texas Virtual School Network;
- Enrollment in courses taught in conjunction and in partnership with Vernon College.
- Certain CTE courses.

All of these methods have eligibility requirements and must be approved prior to enrollment in the course. Please see the counselor for more information.

It is important to keep in mind that not all colleges and universities accept credit earned in all dual credit or AP courses taken in high school for college credit. Students and parents should check with the prospective college or university to determine if a particular course will count toward the student's desired degree plan.

COMPLAINTS AND CONCERNS

Usually student or parent complaints or concerns can be addressed by a phone call or a conference with the teacher or principal. For those complaints and concerns that cannot be handled so easily, the district has adopted a standard complaint policy at FNG(LOCAL) in the district's policy manual. A copy of this policy may be obtained in the principal's or superintendent's office or on the district's Web site at www.vernonisd.org.

In general, the student or parent should submit a written complaint and request a conference with the campus principal. If the concern is not resolved, a request for a conference should be sent to the superintendent. If still unresolved, the district provides for the complaint to be presented to the board of trustees.

COMPUTER RESOURCES

To prepare students for an increasingly technological society, the district has made an investment in computer technology for instructional purposes. Use of these computer resources is restricted to students working under a teacher's supervision and for approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these resources; violations of this agreement may result in withdrawal of privileges and other disciplinary action.

Students and their parents should be aware that e-mail and other electronic communications using district computers are not private and will be monitored by district staff. [For additional information, see policies at CQ.]

CONDUCT

VISD Board Policy FFFF, FNC, FO, GKA, OH (Local)

Students are responsible for conducting themselves properly, in a manner appropriate to their age and level of maturity.

Student responsibilities for achieving a positive learning environment at school or school-related activities shall include:

1. Attending all classes, daily and on time.
2. Being prepared for each class with appropriate materials and assignments.
3. Being properly dressed.
4. Showing respect toward others.
5. Behaving in a responsible manner.
6. Paying required fees and fines, unless they are waived.
7. Refraining from violations of the code of student conduct.
8. Obeying all school rules, including safety rules.
9. Seeking change in school policies and regulations in an orderly and responsible manner, through appropriate channels.

10. Cooperating with staff in investigation of disciplinary cases and volunteering information relating to a serious offense.
11. Avoid violations of Student Code of Conduct.

District's Jurisdiction

VISD Board Policy FNCL (Local)

The District has authority and control over its students during the regular school day and while going to and from school on District transportation. This jurisdiction includes any activity during the school day on school grounds, attendance at any school-related activity, regardless of time or location, and any school related misconduct, regardless of time or location.

The District's rules of student conduct apply to all school sponsored and school-related activities, on or off campus. Students who violate these rules will be subject to disciplinary action and shall be referred when appropriate to legal authorities for criminal prosecution for violations of law.

Students at school or school related activities are prohibited from:

1. Cheating or copying the work of another student.
2. Throwing objects, outside supervised school activities, that can cause bodily injury or damage property.
3. Leaving school grounds or school-sponsored events without permission.
4. Directing profanity, vulgar language, or obscene gestures toward other students.
5. Insubordination, such as disobeying directives from school personnel or school policies, rules, and regulations.
6. Being disrespectful or directing profanity, vulgar language, or obscene gestures toward teachers or other school employees.
7. Playing with matches or fire, or committing arson.
8. Committing robbery or theft.
9. Damaging or vandalizing property owned by the District, other students, or District employees.
10. Disobeying school policies about conduct on school buses.
11. Fighting, committing physical abuse, or threatening physical abuse.
12. Committing extortion, coercion, or blackmail; that is obtaining money or other objects of value from an unwilling person, or forcing an individual to act through the use of force or threat of force.
13. Name-calling, making ethnic or racial slurs or derogatory statements that may substantially disrupt the school program or incite violence.
14. Inappropriate physical or sexual contact disruptive to other students or the school environment.
15. Offensive conduct of a sexual nature, whether verbal or physical, which may include requests for sexual favors or other intimidating sexual conduct, directed toward another student.
16. Assaulting a teacher or other individual.
17. Selling, giving, or delivering to another person, possessing, using, or being under the influence of: marijuana or a controlled substance, a dangerous drug, abusable glue or aerosol paint, or volatile chemical, or an alcoholic beverage.
18. Possessing any weapon prohibited by law or by school policy, including a firearm, prohibited knife, explosive weapon, machine gun, short-barrel firearm, switchblade knife, metallic knuckles, ammunition, chemical dispensing device, zip gun, club, fireworks, razors, chains, or any other object used to threaten or injure.
19. Smoking or using tobacco products.
20. Hazing.
21. Possession of a paging device, including cellular telephones.
22. Behaving in any way that disrupts the school environment or educational process.
23. Engaging in a conduct constituting felony criminal mischief as defined by law.

Applicability of School Rules

As required by law, the board has adopted a Student Code of Conduct that prohibits certain behaviors and defines standards of acceptable behavior—both on and off campus—and consequences for violation of these standards. The district has disciplinary authority over a student in accordance with

the Student Code of Conduct. Students and parents should be familiar with the standards set out in the Student Code of Conduct, as well as campus and classroom rules.

To achieve the best possible learning environment for all students, the *Student Code of Conduct* and other campus rules will apply whenever the interest of the district is involved, whether on or off school grounds, in conjunction with classes and school-sponsored activities.

Corporal Punishment

VISD Board Policy FOB(Local)

Corporal punishment is limited to spanking or paddling the student, and occurs only in accordance with the following guidelines:

1. Parent has signed consent to allow corporal punishment for their child.
2. Parent is notified by phone before corporal punishment is applied the reason for the corporal punishment.
3. The student is told of the reason corporal punishment is being given.
4. Corporal punishment may be given by the principal or assistant principal
5. The instrument to be used shall be approved by the principal.
6. Corporal punishment shall be done in the presence of one other District professional employee out of view of other students.
7. A record shall be maintained of each incident of corporal punishment.

The District shall honor a **written parent request** that corporal punishment not be administered to his or her child.

Disruptions

As identified by law, disruptions include the following:

1. Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
2. Interference with an authorized activity by seizing control of all or part of a building.
3. Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.
4. Use of force, violence, or threats to cause disruption during an assembly.
5. Interference with the movement of people at an exit or an entrance to district property.
6. Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator.
7. Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct.
8. Interference with the transportation of students in vehicles owned or operated by the district.

Social Events

School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of

his or her guest. **A student attending a social event will be asked to sign out when leaving before the end of the event; anyone leaving before the official end of the event will not be readmitted.**

Disruptions of School Operations

Disruptions of school operations are not tolerated and may constitute a misdemeanor offense. As identified by law, disruptions include the following:

- Interference with the movement of people at an exit, entrance, or hallway of a district building without authorization from an administrator.
- Interference with an authorized activity by seizing control of all or part of a building.
- Use of force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Use of force, violence, or threats to cause disruption during an assembly.
- Interference with the movement of people at an exit or an entrance to district property.
- Use of force, violence, or threats in an attempt to prevent people from entering or leaving district property without authorization from an administrator.
- Disruption of classes or other school activities while on district property or on public property that is within 500 feet of district property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; and entering a classroom without authorization and disrupting the activity with loud or profane language or any misconduct.
- Interference with the transportation of students in vehicles owned or operated by the district.

Social Events

School rules apply to all school social events. Guests attending these events are expected to observe the same rules as students, and a student inviting a guest will share responsibility for the conduct of his or her guest.

A student attending a social event will be asked to sign out when leaving before the end of the event; anyone leaving before the official end of the event will not be readmitted.

CONTAGIOUS DISEASES / CONDITIONS

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. If a parent suspects that his or her child has a contagious disease, the parent should contact the school nurse or principal so that other students who might have been exposed to the disease can be alerted.

The school nurse or the principal's office can provide information from the Department of State Health Services regarding these diseases.

CORRESPONDENCE COURSES

The district permits high school students to take correspondence courses—by mail or via the Internet—for credit toward high school graduation. Correspondence courses shall be taken only if the course cannot be scheduled on campus. No honors points will be awarded. Permission of the

principal must be obtained. These courses shall be taken either from Texas Tech University or the University of Texas at Austin.

[For further information, see policies at EEJC.]

COUNSELING

Academic Counseling

Students and their parents are encouraged to talk with a school counselor, teacher, or principal to learn more about course offerings, graduation requirements, and early graduation procedures. Each spring, students in grades 8-11 will be provided information on anticipated course offerings for the next school year and other information that will help them make the most of academic and CTE opportunities.

To plan for the future, each student should work closely with the counselor in order to enroll in the high school courses that best prepare him or her for attendance at a college, university, or training school, or for pursuit of some other type of advanced education. The counselor can also provide information about entrance exams and application deadlines, as well as information about automatic admission to state colleges and universities, financial aid, housing, and scholarships. VISD Board Policy EJ (Local).

Personal Counseling

The school counselor is available to assist students with a wide range of personal concerns, including such areas as social, family, or emotional issues, or substance abuse. The counselor may also make available information about community resources to address these concerns. A student who wishes to meet with the counselor should meet with his/her designated counselor.

Psychological Exams, Tests, or Treatment

The school will not conduct a psychological examination, test, or treatment without first obtaining the parent's written consent. Parental consent is not necessary when a psychological examination, test, or treatment is required by state or federal law for special education purposes or by the Texas Education Agency for child abuse investigations and reports.

[For more information, refer to policies EHBAA(LEGAL), FFE(LEGAL), and FFG(EXHIBIT).]

COURSE CREDIT

A student in grades 9–12 will earn credit for a course only if the final grade is 70 or above. For a two-semester (1 credit) course, the student's grades from both semesters will be averaged and credit will be awarded if the combined average is 70 or above. Should the student's combined average be less than 70, the student will be required to retake the semester in which he or she failed.

CREDIT BY EXAM—If a Student Has Taken the Course

A student who has previously taken a course or subject—but did not receive credit for it—may, in circumstances determined by the teacher, counselor, principal, or attendance committee, be permitted to earn credit by passing an exam on the essential knowledge and skills defined for that course or subject. Prior instruction may include, for example, incomplete coursework due to a failed course or

excessive absences, homeschooling, correspondence courses, or independent study supervised by a teacher.

The counselor or principal would determine if the student could take an exam for this purpose. If approval is granted, the student must score at least 70 on the exam to receive credit for the course or subject.

The attendance review committee may also offer a student with excessive absences an opportunity to earn credit for a course by passing an exam.

A student may not use this exam, however, to regain eligibility to participate in extracurricular activities.

[For further information, see the counselor and policy EEJA(LOCAL).]

CREDIT BY EXAM—If a Student Has Not Taken the Course

A student will be permitted to take an exam to earn credit for an academic course for which the student has had no prior instruction. The scheduled examination dates on which exams are scheduled during the 2010–2011 will be announced when the school year begins.

A student will earn credit with a passing score of at least 90 on the exam.

If a student plans to take an exam, the student (or parent) must register with the principal no later than 30 days prior to the scheduled testing date. The district will not honor a request by a parent to administer a test on a date other than the published dates. If the district agrees to administer a test other than the one chosen by the district, the parent must purchase a test from a university approved by the State Board of Education. [For further information, see EEJB(LOCAL).]

DATING VIOLENCE, DISCRIMINATION, HARASSMENT, AND RETALIATION

The district believes that all students learn best in an environment free from dating violence, discrimination, harassment, and retaliation and that their welfare is best served when they are free from this prohibited conduct while attending school. Students are expected to treat other students and district employees with courtesy and respect, to avoid behaviors known to be offensive, and to stop those behaviors when asked or told to stop. District employees are expected to treat students with courtesy and respect.

The board has established policies and procedures to prohibit and promptly respond to inappropriate and offensive behaviors that are based on a person's race, color, religion, gender, national origin, disability, or any other basis prohibited by law. [See policy FFH.]

Dating Violence

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other person in the relationship. Dating violence also occurs when a person commits these acts against a person in a marriage or dating relationship with the individual who is or was once in a marriage or dating relationship with the person committing the offense. This type of conduct is considered harassment if the conduct is so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance.

Examples of dating violence against a student may include, but are not limited to, physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student's family members or members of the student's household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engage in these behaviors.

Discrimination

Discrimination is defined as any conduct directed at a student on the basis of race, color, religion, gender, national origin, disability, or any other basis prohibited by law, that negatively affects the student.

Harassment

Harassment, in general terms, is conduct so severe, persistent, or pervasive that it affects the student's ability to participate in or benefit from an educational program or activity; creates an intimidating, threatening, hostile, or offensive educational environment; or substantially interferes with the student's academic performance. A copy of the district's policy is available in the principal's office and in the superintendent's office at www.vernonisd.org.

Examples of harassment may include, but are not limited to, offensive or derogatory language directed at a person's religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexual Harassment

Sexual harassment of a student by an employee, volunteer, or another student is prohibited.

Sexual harassment of a student by an employee or volunteer does not include necessary or permissible physical contact not reasonably construed as sexual in nature. However, romantic and other inappropriate social relationships, as well as all sexual relationships, between students and district employees are prohibited, even if consensual.

Examples of prohibited sexual harassment may include, but not be limited to, touching private body parts or coercing physical contact that is sexual in nature; sexual advances; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Retaliation

Retaliation against a person, who makes a good faith report of discrimination or harassment, including dating violence, is prohibited. Retaliation against a person who is participating in an investigation of alleged discrimination or harassment is also prohibited. A person who makes a false claim or offers false statements or refuses to cooperate with a district investigation, however, may be subject to appropriate discipline.

Retaliation against a student might occur when a student receives threats from another student or an employee or when an employee imposes an unjustified punishment or unwarranted grade reduction. Retaliation does not include petty slights and annoyances from other students or negative comments from a teacher that are justified by a student's poor academic performance in the classroom.

Reporting Procedures

Any student who believes that he or she has experienced dating violence, discrimination, harassment, or retaliation should immediately report the problem to a teacher, counselor, principal, or other district employee. The report may be made by the student's parent. See policy FFH(LOCAL) for the appropriate district officials to whom to make a report.

Investigation of Report

To the extent possible, the district will respect the privacy of the student; however, limited disclosures may be necessary to conduct a thorough investigation and to comply with law. Allegations of prohibited conduct, which includes dating violence, discrimination, harassment, and retaliation, will be promptly investigated. The district will notify the parents of any student alleged to have experienced prohibited conduct involving an adult associated with the district.

In the event prohibited conduct involves another student, the district will notify the parents of the student alleged to have experienced the prohibited conduct when the allegations, if proven, would constitute a violation as defined by policy.

If the district's investigation indicates that prohibited conduct occurred, appropriate disciplinary or corrective action will be taken to address the conduct. The district may take disciplinary action even if the conduct that is the subject of the complaint was not unlawful.

A student or parent who is dissatisfied with the outcome of the investigation may appeal in accordance with policy FNG(LOCAL).

DETENTION

VISD Board Policy FOC (Local)

Students may be detained outside of school hours (for not more than one hour) on one or more days if a student violates the school's rules of conduct. The detention shall not begin, however; until the student's parents have been notified of the reason for the detention and that the parents should make arrangements for the student's transportation on the day(s) of the detention.

DISCIPLINE PROCEDURES

Students who violate the District's Student Code of Conduct shall be subject to disciplinary action. With this in mind, we will use the following procedure to determine disciplinary consequences for students who disobey school rules. A numerical value, or demerits, will be placed on each level of offense. The accumulation of both the numerical value of a particular offense and the student's combined total of demerits will determine the disciplinary consequence.

Level of Offense	Number of Demerits	*Minimum Consequence for Level
I	1	Conference with parent/Detention/Corporal punishment
II	2	Detention/Corporal Punishment
III	5	ISS-One Day
IV	10	ISS-3 days
V	-	Mandatory DAEP Placement/Expulsion

Descriptions of the various levels of offenses are located on pages 30-33 of Vernon High School Student Handbook.

Accumulated Demerits

A student’s cumulative demerit total will be considered when issuing disciplinary consequences. View the following chart and example:

Total Number of Accumulated Demerits	Minimum Consequence
15	3 days ISS
30	5 days ISS
40	Six Weeks DAEP
60	Twelve Weeks DAEP

Example: Student “A”

Offense	Level	Demerit(s)	Accumulated Demerits	Consequence
Disrespect to Teacher	IV	10	10	3 days ISS
Profanity	III	5	15	3 days ISS
Smoking	IV	10	25	3 days ISS
Truancy	IV	10	35	5 days ISS
Dress Code Violation	I	1	36	Lunch Detention
Truancy	IV	10	46	Six Weeks DAEP

Level I Offenses (1 Demerit Point)

Level I acts of misconduct include repeated infractions of classroom management procedures or rules, or other misconduct that disrupts the educational process to the extent that the classroom teacher needs administrative support to correct the problem. Examples include but are not limited to:

1. Refusing to follow classroom rules
2. Refusing to participate in classroom activities or fulfill assignments.
3. Failure to bring appropriate materials to class.
4. Possessing and/or using nuisance items.
5. Eating, drinking, or chewing gum in an undesignated area.
6. Disruption of the orderly classroom process.
7. Running, making excessive noise, or other disruptions in the halls, buildings, classrooms or other supervised settings.
8. Violating dress and grooming standards as communicated by the Student Handbook.
9. Cheating or copying the work of another student.
10. Failure to attend assigned tutorial.

Level II Offenses (2 Demerit Points)

When a student’s behavior does not change as a result of action taken on Level I, and the student is being seen for a second time in the principal’s office for repeated Level I infractions, the student is moved to Level II for discipline purposes.

Level III Offenses (5 Demerit Points)

Level III acts of misconduct include those student infractions that are somewhat more serious than those in Level I and II. Examples of misconduct include but are not limited to the following:

1. Using profanity or vulgar language or making obscene gestures.
2. Falsifying records, passes, or other school-related documents.
3. Vandalism to or defacing school property including textbooks, lockers, furniture, and other equipment.
4. Excessive absences or tardies.
5. Throwing objects that can cause bodily injury or property damage.
6. Refusing to accept the discipline management techniques as assigned by a teacher/administrator.
7. Not obeying rules of conduct on school buses.
8. Damaging or vandalizing property including textbooks, lockers, furniture and other equipment with graffiti or by other means.
9. Possessing or using matches or a lighter.
10. Violating computer use policies, rules, or agreements signed by the student, and/or agreements signed by the student's parent.

Level IV Offenses (10 Demerit Points)

Level IV offenses include those acts of misconduct that seriously disrupt the educational process, endanger or seriously affect other students, and perhaps violate the law. Examples include but are not limited to the following:

1. Any repeated offense of Level III, or a new violation while being disciplined for a Level III offense.
2. General Misconduct
3. Repeated acts of disobedience or disorderly behavior that may prove to be detrimental to the school, harmful to health and safety, or inhibiting to the rights of others.
4. Leaving school grounds or school sponsored events without permission.
5. Threats, oral or written, to do bodily harm to another, or to the property of another student.
6. Insubordination
7. Forcing an individual to act through the use of force or threat of force.
8. Threatening another student or district employee on or off school property.
9. Engaging in bullying, harassment, and making hit lists.
10. Engaging in conduct that constitutes sexual harassment, or sexual abuse, whether by word, gesture, or any other conduct, including requests for sexual favors directed toward another student or a district employee.
11. Engaging in inappropriate or indecent exposure of private body parts.
12. Hazing
13. Causing an individual to act through the use of or threat of force (coercion).
14. Committing extortion or blackmail (obtaining money or an object of value from an unwilling person).
15. Engaging in inappropriate verbal, physical, or sexual conduct directed toward another student or a district employee.
16. Stealing from students, staff, or the school.
17. Possessing or using:
 - a. Fireworks of any kind, smoke or stink bombs, or any other pyrotechnic device;
 - b. A razor, box cutter, chain, or any other object used in a way that threatens or inflicts bodily injury to another person;
 - c. A "look-alike" weapon;
 - d. An air gun or BB gun;

- e. Ammunition;
 - f. A stun gun;
 - g. Mace or pepper spray;
 - h. Pornographic material;
 - i. Tobacco products;
- k. Any articles not generally considered to be weapons, including school supplies, when the principal or designee determines that danger exists. (For weapons and firearms see DAEP Placement and Expulsion).
18. Possessing or selling seeds or pieces of marijuana in less than a usable amount. (For illegal drugs, alcohol, and inhalants see DAEP Placement and Expulsion).
19. Committing or assisting in a robbery or theft even if it does not constitute a felony according to the Texas Penal Code. (For felony robbery and theft see DAEP Placement and Expulsion).
20. Possessing, using, giving, or selling paraphernalia related to any prohibited substance.
21. Possessing or selling look-alike drugs or items attempted to be passed off as drugs or contraband.
22. Abusing the student's own prescription drug, giving, a prescription drug to another student, possessing or being under the influence of another person's prescription drug on school property or at a school event.
23. Having or taking prescription drugs or over-the-counter drugs at school other than as provided by district policy.
24. Using the internet or other electronic communications to threaten students or employees or cause disruption to the educational process.
25. Sending, or posting electronic messages that are abusive obscene, sexually-oriented, threatening, harassing, or damaging to another's reputation, or illegal.
26. Using e-mail or Websites to encourage illegal behavior or threaten school safety.
27. Possessing published or electronic material that is designated to promote or encourage illegal behavior or that could threaten school safety.
28. Engaging in verbal (oral or written) exchanges that threaten the safety of another student, a school employee, or school property.
29. Making false accusations or perpetrating hoaxes regarding school safety.
30. Engaging in any conduct that school officials might reasonably believe will substantially disrupt the school program or incite violence.
31. Discharging a fire extinguisher without valid cause.
32. Engaging in actions or demonstrations that substantially disrupt or materially interfere with school activities.
33. Repeatedly violating other communicated campus or classroom standards of conduct.
34. Truancy.

DISCRIMINATION

[See **Dating Violence, Discrimination, Harassment, and Retaliation**]

DISTANCE LEARNING

Distance learning and correspondence courses include courses that encompass the state-required essential knowledge and skills but are taught through multiple technologies and alternative methodologies such as mail, satellite, Internet, video-conferencing, and instructional television.

The Texas Virtual School Network (TxVSN) has been established as one method of distance learning. A student has the option, with certain limitations, to enroll in a course offered through the TxVSN to earn course credit for graduation. In limited circumstances, a student in grade 8 may also be eligible to enroll in a course through the TxVSN.

Depending on the TxVSN course in which a student enrolls, the course may be subject to the "no pass, no play" rules. [Also see **Extracurricular Activities, Clubs, and Organizations.**]

DISTRIBUTION OF PUBLISHED MATERIALS OR DOCUMENTS

School Materials

School Materials

Publications prepared by and for the school may be posted or distributed, with the prior approval of the principal, sponsor, or teacher. Such items may include school posters, brochures, flyers, etc.

The school yearbook and the school website are available to students.

All school publications are under the supervision of a teacher, sponsor, and the principal.

Nonschool Materials...from students

Students must obtain prior approval from the principal before posting, circulating, or distributing more than ten copies of written materials, handbills, photographs, pictures, petitions, films, tapes, posters, or other visual or auditory materials that were not developed under the oversight of the school. To be considered, any nonschool material must include the name of the sponsoring person or organization. The decision regarding approval will be made within two school days.

A student may appeal a principal's decision in accordance with policy FNG(LOCAL). Any student who posts nonschool material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without the principal's approval will be removed.

Nonschool Materials...from others

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials not sponsored by the district or by a district-affiliated school-support organization will not be sold, circulated, distributed, or posted on any district premises by any district employee or by persons or groups not associated with the district, except as permitted by policy GKDA. To be considered for distribution, any nonschool material must meet the limitations on content established in the policy, include the name of the sponsoring person or organization, and be submitted to the principal for prior review. The principal will approve or reject the materials within two school days of the time the materials are received. The requestor may appeal a rejection in accordance with the appropriate district complaint policy. [See policies at DGBA, FNG, or GF.]

Prior review will not be required for:

- Distribution of materials by an attendee to other attendees of a school-sponsored meeting intended for adults and held after school hours.
- Distribution of materials by an attendee to other attendees of a community group meeting held after school hours in accordance with policy GKD(LOCAL) or a noncurriculum-related student group meeting held in accordance with FNAB(LOCAL).
- Distribution for electioneering purposes during the time a school facility is being used as a polling place, in accordance with state law.

All nonschool materials distributed under these circumstances must be removed from district property immediately following the event at which the materials are distributed.

DRESS AND GROOMING

The district's dress code is established to teach grooming and hygiene, prevent disruption, and minimize safety hazards. Students and parents may determine a student's personal dress and grooming standards, provided that they comply with the following:

- **Hair**

- No hair picks, comb
- No nets
- No sideburns below the earlobes
- Clean, well groomed
- No pins, curlers
- Not to cover eyes
- No unusual or distracting hairstyles or colors
- No symbols/initials cut into hair

Footwear**

Acceptable footwear that does not create a health or safety hazard or does not disrupt the learning environment

- No house shoes

Hats**

Hats or head coverings including head bands may not be worn during school hours and must be left at home or in vehicles.

Shirts**

Collared, polo, or crew neck shirts with sleeves are required.

No clothing; advertising playboy, tobacco, alcohol, prohibited substances/items, vulgar, obscene topics or implications of above list.

Tops must overlap waist bands so no midriff is showing at anytime.

Clothing that reveals underwear or cleavage is prohibited.

All young men will be required to have their shirt tails tucked in and to wear a belt at all times.

Other Clothing

Pants and shorts will be worn at the natural waist line, no sagging.

Large bulky coats and hood sweatshirts must be stored in the student's locker during school hours.

Clothing that is torn or ripped or larger than one size extra is prohibited.

Chains of any kind on billfolds, checkbooks, belts, or pants are prohibited.

Sunglasses are not to be worn in school unless medically prescribed.

Back packs must be clear, mesh, or the contents in the bag are visible.

Earrings/piercing

Body piercing other than the ears is prohibited
Young men may wear only one stud type earring per ear.

Other hair

Facial hair must be clean, neatly trimmed and well groomed.

Odor

Students are required to keep themselves clean and free of body odor.

Shorts/Dresses**

Skirts/dresses must be at or below the knee, with no slits above the knee.
Pants and shorts must be at or below the knee.

Tattoos

All tattoos will be covered.

****Exceptions:**

Designated school events by the principal.

If the principal determines that a student's grooming or clothing violates the school's dress code, the student will be given an opportunity to correct the problem at school. If not corrected, the student will be assigned to in-school suspension for the remainder of the day until the problem is corrected or until a parent or designee brings an acceptable change of clothing to the school. Repeated offenses may result in more serious disciplinary action in accordance with the Student Code of Conduct.

ELECTRONIC DEVICES AND TECHNOLOGY RESOURCES**Possession and Use of Personal Telecommunications Devices, Including Mobile Telephones**

For safety purposes, the district permits students to possess personal mobile telephones; however, these devices must remain turned off during the instructional day, including during all testing, unless they are being used for approved instructional purposes. A student must have approval to possess other telecommunications devices such as netbooks, laptops, tablets, or other portable computers.

The use of mobile telephones or any device capable of capturing images is strictly prohibited in locker rooms or restroom areas while at school or at a school-related or school-sponsored event.

If a student uses a telecommunications device without authorization during the school day, the device will be confiscated. The parent may pick up the confiscated telecommunications device from the principal's office for a fee of \$15. Meetings to return cell phones will be scheduled on the 1st and 15th of each month.

Confiscated telecommunications devices that are not retrieved by the student or the student's parents will be disposed of after the notice required by law. [See policy FNCE.]

In limited circumstances and in accordance with law, a student's personal telecommunications device may be searched by authorized personnel. [See **Searches** and policy FNF.]

Any disciplinary action will be in accordance with the Student Code of Conduct. The district will not be responsible for damaged, lost, or stolen telecommunications devices.

A student who uses a telecommunications device during the school day will have the device confiscated. Any cell phone or paging device that is taken up in school and turned into the campus administrator will become the property of Vernon ISD until the following steps are taken:

First offense—Parent comes to the campus to pick up cellular device and pay a \$15.00 administrative fee.

Second offense—Parent comes to the campus to pick up cellular device and pay another \$15.00 administrative fee.

Third offense—The cellular device becomes the property of Vernon ISD to which we may dispose of the device as the school district sees fit. Along with that, disciplinary action will be administered, as well.

Possession and Use of Other Personal Electronic Devices

Except as described below, students are not permitted to use personal electronic devices such as MP3 players, video or audio recorders, DVD players, cameras, games, e-readers, or other electronic devices at school, unless prior permission has been obtained. Without such permission, teachers will collect the items and turn them in to the principal's office. The principal will determine whether to return items to students at the end of the day or to contact parents to pick up the items.

In limited circumstances and in accordance with law, a student's personal electronic device may be searched by authorized personnel. [See **Searches** and policy FNF.]

Any disciplinary action will be in accordance with the Student Code of Conduct. The district will not be responsible for any damaged, lost, or stolen electronic device.

Instructional Use of Personal Telecommunications and Other Electronic Devices

In some cases, students may find it beneficial or might be encouraged to use personal telecommunications or other personal electronic devices for instructional purposes while on campus. Students must obtain prior approval before using personal telecommunications or other personal electronic devices for instructional use. Students must also sign a user agreement that contains applicable rules for use (separate from this handbook). When students are not using the devices for approved instructional purposes, all devices must be turned off during the instructional day. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Acceptable Use of District Technology Resources

To prepare students for an increasingly technological society, the district has made an investment in the use of district-owned technology resources for instructional purposes; specific resources may be issued individually to students. Use of these technological resources, which include the district's network systems and use of district equipment, is restricted to approved purposes only. Students and parents will be asked to sign a user agreement (separate from this handbook) regarding use of these district resources. Violations of the user agreement may result in withdrawal of privileges and other disciplinary action.

Unacceptable and Inappropriate Use of Technology Resources

Students are prohibited from possessing, sending, forwarding, posting, accessing, or displaying electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal. This prohibition also applies to conduct off school property, whether the equipment used to send such messages is district-owned or personally owned, if it results in a substantial disruption to the educational environment. Any person taking, disseminating, transferring, possessing, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content, commonly referred to as "sexting," will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be reported to law enforcement.

In addition, any student who engages in conduct that results in a breach of the district's computer security will be disciplined in accordance with the Student Code of Conduct, and, in some cases, the consequence may rise to the level of expulsion.

EMERGENCY CLOSING INFORMATION

VISD Board Policy CKC (Local)

In the event of inclement weather, please listen to KVWC AM 1490 for instructions.

EMERGENCY MEDICAL TREATMENT

VISD Board Policy FFAC (Local)

Parents shall complete an emergency care form each year that includes a place for parental consent for school officials to request medical treatment for the student, as provided by law. Parents shall also be asked to supply other information that could be required in case of an emergency; parents should update this information as often as necessary.

EXTRACURRICULAR ACTIVITIES, CLUBS, AND ORGANIZATIONS

Participation in school-sponsored activities is an excellent way for a student to develop talents, receive individual recognition, and build strong friendships with other students; participation, however, is a privilege, not a right.

Eligibility for initial and continuing participation in many of these activities is governed by state law and the rules of the University Interscholastic League (UIL)—a statewide association overseeing interdistrict competition. If a student is involved in an academic, athletic, or music activity governed by UIL, the student and parent are expected to know and follow all rules of the UIL organization. [See <http://www.uil texas.org> for additional information.]

The following requirements apply to all extracurricular activities:

- A student who receives at the end of a grading period a grade below 70 in any academic class—other than an Advanced Placement or International Baccalaureate course; or an honors or dual credit course in English language arts, mathematics, science, social studies, economics, or language other than English—may not participate in extracurricular activities for at least three school weeks.
- A student with disabilities who fails to meet the standards in the individualized education program (IEP) may not participate for at least three school weeks.
- An ineligible student may practice or rehearse.

- A student is allowed in a school year up to 15 absences not related to post-district competition, any other post district absences must meet with the principal’s approval. All extracurricular activities and public performances, whether UIL activities or other activities approved by the board, are subject to these restrictions.
- An absence for participation in an activity that has not been approved will receive an unexcused absence.

Standards of Behavior

Sponsors of student clubs and performing groups such as the band, choir, and drill and athletic teams may establish standards of behavior—including consequences for misbehavior—that are stricter than those for students in general. If a violation is also a violation of school rules, the consequences specified by the Student Code of Conduct or by local policy will apply in addition to any consequences specified by the organization’s standards of behavior.

[For further information, see policies at FM and FO. For student-organized, student-led groups, see **Meetings of Noncurriculum-Related Groups.**]

Offices and Elections

The nominees must meet the following criteria in order to be considered for an elected office or honor position:

1. Must have no grade below a 70 for any six weeks period during the current school year.
2. May not receive more than two unfavorable teacher recommendations.
3. Must be involved in at least ONE extracurricular activity.
4. Must NOT have a documented discipline history in the office.
5. Must have attended 90% of the days school has been in session.
6. Shall not be guilty of truancy.

FEES

Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. A student, however, is expected to provide his or her own pencils, paper, erasers, and notebooks and may be required to pay certain other fees or deposits, including:

- Costs for materials for a class project that the student will keep.
- Membership dues in voluntary clubs or student organizations and admission fees to extracurricular activities.
- Security deposits.
- Personal physical education and athletic equipment and apparel.
- Voluntarily purchased pictures, publications, class rings, yearbooks, graduation announcements, etc.
- Voluntarily purchased student accident insurance.
- Musical instrument rental and uniform maintenance, when uniforms are provided by the district.
- Personal apparel used in extracurricular activities that becomes the property of the student.

- Parking fees and student identification cards.
- Fees for lost, damaged, or overdue library books.
- Fees for optional courses offered for credit that require use of facilities not available on district premises.
- Summer school for courses that are offered tuition-free during the regular school year.
- A fee not to exceed \$50 for costs of providing an educational program outside of regular school hours for a student who has lost credit because of absences and whose parent chooses the program in order for the student to meet the 90 percent attendance requirement. The fee will be charged only if the parent or guardian signs a district-provided request form.

Any required fee or deposit may be waived if the student and parent are unable to pay. Application for such a waiver may be made to the principal. [For further information, see policies at FP.]

FUND-RAISING

VISD Board Policy DHA, FJ (Local)

Occasionally, student clubs, classes, organizations and parent groups will be permitted to conduct fund-raising drives. An application for permission must be made to the Principal at least 30 days before the event. Fund raising shall not take place on school property unless it is approved by the Principal. [For further information, see policies at FJ and GE.]

GANG-FREE ZONES

Certain criminal offenses, including those involving organized criminal activity such as gang-related crimes, will be enhanced to the next highest category of offense if they are committed in a gang-free zone. For purposes of the district, a gang-free zone includes a school bus and a location in, on, or within 1,000 feet of any district-owned or leased property or campus playground.

GRADE CLASSIFICATION

After the ninth grade, students are classified according to the number of credits earned toward graduation.

Credits Earned	Classification
5	Grade 10 (Sophomore)
10	Grade 11 (Junior)
15	Grade 12 (Senior)

GRADING GUIDELINES

Grading guidelines for each grade level or course will be communicated and distributed to students and their parents by the classroom teacher. These guidelines have been reviewed by each applicable curriculum department and have been approved by the campus principal. These guidelines establish the minimum number of assignments, projects, and examinations required

for each grading period. In addition, these guidelines establish how the student's mastery of concepts and achievement will be communicated (i.e., letter grades, numerical averages, checklist of required skills, etc.). Grading guidelines also outline in what circumstances a student will be allowed to redo an assignment or retake an examination for which the student originally made a failing grade.

State law requires a student's score on an end-of-course (EOC) assessment to count as 15 percent of the student's final grade for the course.

Also see **Report Cards/Progress Reports and Conferences** for additional information on grading guidelines. See **Graduation** below, **Course Credit**, and **Standardized Testing** for additional information regarding EOC assessments.

GRADUATION

Requirements for a Diploma

To receive a high school diploma from the district, a student must successfully:

- Complete the required number of credits;
- Complete any locally required courses in addition to the courses mandated by the state; and
- Depending on the year in which the student is scheduled to graduate, pass a statewide exit-level exam or achieve the required cumulative scores on end-of-course (EOC) assessments.

The exit-level test, currently required for students in grade 11, covers English language arts, mathematics, science, and social studies and requires knowledge of Algebra I and Geometry; Biology and Integrated Chemistry and Physics; English III; and early American and United States History, World History, and World Geography. Students in grades 10 and 11 during the 2011–2012 school year must pass the exit-level test to graduate. A student in grade 12 who has not passed the exit-level test will have opportunities to retake it.

Also see **Standardized Testing** for more information.

Beginning with students who enter grade 9 in the 2011–2012 school year, EOC assessments will be administered for the following courses and will replace the exit-level test as mentioned above: English I, English II, English III, Algebra I, Geometry, Algebra II, Biology, Chemistry, Physics, World Geography, World History, and United States History. Students graduating under the Minimum Program must take EOC assessments only for courses in which they are enrolled and for which there is an EOC assessment. Each student will be required to achieve certain scores on the applicable EOC assessments to graduate, depending on the graduation program in which the student is enrolled. A student who has not achieved sufficient scores on the EOC assessments to graduate will have opportunities to retake the assessments.

If a student fails to perform satisfactorily on an EOC assessment, the district will provide remediation to the student in the content area for which the performance standard was not met.

Also see **Grading Guidelines** above and **Standardized Testing** for more information.

Graduation Programs (EIF local)

The district offers the graduation programs listed below. All students entering grade 9 are required to enroll in the Recommended Program or Advanced/Distinguished Achievement Program. Permission to enroll in the Minimum Program will be granted only if a written

agreement is reached among the student, the student’s parent or person standing in parental relation, and the counselor or appropriate administrator. In order for a student to take courses under the Minimum Program, the student must be at least 16 years of age; have completed at least two credits each in English language arts, math, science, and social studies courses that are required for graduation; or have failed grade 9 one or more times. [See policy EIF(LEGAL).]

Effective with ninth graders in the 2011–2012 school year, in addition to the credit and course requirements for each program, performance on EOC assessments will be linked to a student’s eligible graduation program. To graduate, a student must meet a minimum cumulative score set by the Texas Education Agency (TEA) for each content area: English, mathematics, science, and social studies. To determine whether the student meets the cumulative score, the student’s EOC assessment scores in each content area will be added together. If the student’s total score on the assessments within the content area is not equal to or greater than the cumulative score set by TEA, the student may retake any of the assessments in that content area until the student achieves the cumulative score. A student who does not make the minimum required score on any individual assessment will be required to retake that assessment.

To graduate on the Recommended Program, a student must perform satisfactorily on the Algebra II and English III EOC assessments, in addition to meeting the cumulative score requirements described above. To graduate on the Advanced/Distinguished Achievement Program, a student must demonstrate advanced academic performance on the Algebra II and English III EOC assessments, commonly referred to as college and career readiness standards, in addition to successfully meeting performance standards on the other EOC assessments. If this standard is not met, the student will graduate under the Recommended Program, regardless of whether the student has met all other requirements for graduation under the Advanced/Distinguished Achievement Program.

All students must meet the following credit and course requirements for graduation under the programs listed:

Courses	Number of credits Minimum Program	Number of credits Recommended Program	Number of credits Advanced/ Distinguished Achievement Program
English/Language Arts	4	4	4
Mathematics	3	4	4
Science	3	4	4
Social Studies	3.5	3.5	3.5
Economics	0.5	0.5	0.5
Physical Education*	1	1	1
Speech	0.5	0.5	0.5
Language other than English		2	3

Courses	Number of credits Minimum Program	Number of credits Recommended Program	Number of credits Advanced/ Distinguished Achievement Program
Fine Arts	1 (effective for grade 9 in 2010–2011 school year and thereafter)	1	1
Electives	7.5 credits (prior to 2010–2011) 6.5 credits (2010–2011 and thereafter)	5.5 credits	4.5 credits
Miscellaneous			Completion of 4 Advanced Measures**
TOTAL	22 credits	26 credits	26 credits

* A student who is unable to participate in physical activity due to a disability or illness may be able to substitute a course in English language arts, mathematics, science, or social studies for the required credit of physical education. This determination will be made by the student’s ARD committee, Section 504 committee, or other campus committee, as applicable.

** A student graduating under the Advanced/Distinguished Achievement Program must also achieve a combination of four of the following advanced measures:

1. An original research project or other project that is related to the required curriculum. These projects must be judged by a panel of professionals or conducted under the direction of a mentor and reported to an appropriate audience. Please note that no more than two of the four advanced measures may be received from this option.
2. Test data where a student receives:
 - a. A score of three or above on an Advanced Placement (AP) exam;
 - b. A score of four or above on an International Baccalaureate (IB) exam; or
 - c. A score on the Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) that qualifies the student for recognition as a commended scholar or higher by the College Board and National Merit Scholarship Corporation, as part of the National Hispanic Recognition Program (NHRP) of the College Board, or as part of the National Achievement Scholarship Program of the National Merit Scholarship Corporation. The PSAT/NMSQT score will count as only one advanced measure regardless of the number of honors received by the student.
3. College academic courses, including those taken for dual credit, and advanced technical courses, including locally articulated courses, provided the student scores the equivalent of a 3.0 or higher.

Information regarding specific courses required or offered in each curriculum area, along with a description of advanced measures available to students in the Advanced/Distinguished Achievement Program from the options listed above, will be distributed to students each spring in order to enroll in courses for the upcoming school year.

Please be aware that not all courses are offered at every secondary campus in the district. A student who wants to take a course not offered at his or her regular campus should contact the counselor about a transfer or other alternatives. If the parents of at least 22 students request a transfer for those students to take a course in the required curriculum other than fine arts or CTE, the district will offer the course for the following year either by teleconference or at the school from which the transfers were requested.

Certificates of Coursework Completion

A certificate of coursework completion will be issued to a student who has successfully completed state and local credit requirements for graduation but has not yet demonstrated satisfactory performance on the state-mandated tests required for graduation.

Students with Disabilities

Upon the recommendation of the admission, review, and dismissal (ARD) committee, a student with disabilities who receives special education services may be permitted to graduate under the provisions of his or her IEP.

A student who receives special education services and has completed four years of high school, but has not met the requirements of his or her IEP, may participate in graduation ceremonies and receive a certificate of attendance. Even if the student participates in graduation ceremonies to receive the certificate of attendance, he or she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony.

[See policy FMH(LEGAL).]

Please also be aware that if an ARD committee places a student with a disability on a modified curriculum in a subject area, the student will be automatically placed in the Minimum Program, in accordance with state rules.

If a student receiving special education services is scheduled to graduate under the Minimum Program or in accordance with the provisions of his or her IEP, the student's ARD committee will determine whether the general EOC assessment is an accurate measure of the student's achievement and progress or whether an alternative assessment is more appropriate. STAAR Modified and STAAR Alternate are the alternative assessments currently allowed by the state. [See **Standardized Testing** for additional information.] If a student takes the STAAR Modified or STAAR Alternate assessment, the student's ARD committee will determine whether the score on an EOC assessment will count as 15 percent of a student's final grade, as well as whether successful performance and a cumulative score on the EOC assessments will be required for graduation.

Graduation Expenses

Because students and parents will incur expenses in order to participate in the traditions of graduation—such as the purchase of invitations, senior ring, cap and gown, and senior picture—both student and parent should monitor progress toward completion of all requirements for graduation.

The expenses often are incurred in the junior year or first semester of the senior year. [See Student Fees]

Graduation Speakers

Graduating students will be given an opportunity to provide opening and closing remarks during the graduation ceremony. Only those students who are graduating and who hold the position of a senior class officer will be eligible to give these remarks; however, if the student was assigned to disciplinary placement at any time during the spring semester, he or she will not be eligible to speak at graduation. Students eligible to give the opening and closing remarks will be notified by the principal and given an opportunity to volunteer. In the event there are more eligible students volunteering than there are speaking roles at the graduation ceremony, the names of all eligible students who volunteered will be randomly drawn. The student whose name is drawn first will give the opening remarks and the student whose name is drawn second will give the closing remarks. [For student speakers at other school events, see **Student Speakers**][See FNA(LOCAL).]

State Scholarships and Grants

- Under the Texas Early High School Graduation Scholarship Program, students who complete the Recommended or Advanced/Distinguished Achievement Program may earn financial credits in varying amounts to apply toward college tuition. The amounts depend on the number of consecutive months in which the student completed graduation requirements and the number of early college credits earned and may be used at public or private higher education institutions within the state. The counselor can provide additional information about meeting the program's eligibility requirements.
- Students who have a financial need according to federal criteria and who complete the Recommended Program or Advanced/Distinguished Achievement Program may be eligible under the T.E.X.A.S. Grant Program for tuition and fees to Texas public universities, community colleges, and technical schools, as well as to private institutions. [For further information, see the principal or counselor and policy EJ(LEGAL).]

GUARDIANSHIP

LIVING WITH PARENT OR GUARDIAN--All students attending school in Vernon Independent School District must live with a parent or an adult who has signed legal guardianship of the student. Legal guardianship must be a signed and notarized affidavit stating that the adult is accepting full responsibility for the student. Any guardianship case is subject to review by school officials and must be approved by them.

If, for some reason, the parent or guardian does not reside in the Vernon School District, a transfer must be obtained for the student from the superintendent's office. The application for transfer may be accepted or rejected by the superintendent. When a student ceases to fulfill the above requirements; he/she will be withdrawn from school.

H.B. 247 - If a child is less than eighteen years of age on or before September 1 of the year for which admission is sought, and resides separate and apart from parents, guardian, or other persons having lawful control of the child under order of the court, it must be established that the child's presence in the school district is not for the primary purpose of attending the public free schools. The local school district is responsible for making this determination.

HARASSMENT

[See **Dating Violence, Discrimination, Harassment, and Retaliation.**]

HAZING

Hazing is defined as any intentional, knowing, or reckless act occurring on or off campus directed against a student that endangers the mental or physical health or the safety of a student for the purpose of pledging, being initiated to, affiliating with, holding office in, or maintaining membership in any organization whose members are or include other students.

Hazing will not be tolerated by the district. If an incident of hazing occurs, disciplinary consequences will be handled in accordance with the Student Code of Conduct. It is a criminal offense if a person engages in hazing; solicits, encourages, directs, aids, or attempts to aid another in hazing; or has firsthand knowledge of an incident of hazing being planned or having occurred and fails to report this to the principal or superintendent.

[Also see **Bullying** and policies FFI and FNCC.]

HEALTH-RELATED MATTERS

Bacterial Meningitis

State law specifically requires the district to provide the following information:

- What is meningitis?

Meningitis is an inflammation of the covering of the brain and spinal cord. It can be caused by viruses, parasites, fungi, and bacteria. Viral meningitis is most common and the least serious. Bacterial meningitis is the most common form of serious bacterial infection with the potential for serious, long-term complications. It is an uncommon disease, but requires urgent treatment with antibiotics to prevent permanent damage or death.

- What are the symptoms?

Someone with meningitis will become very ill. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Not everyone with meningitis will have the same symptoms.

Children (over 1 year old) and adults with meningitis may have a severe headache, high temperature, vomiting, sensitivity to bright lights, neck stiffness or joint pains, and drowsiness or confusion. In both children and adults, there may be a rash of tiny, red-purple spots. These can occur anywhere on the body.

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

- How serious is bacterial meningitis?

If it is diagnosed early and treated promptly, the majority of people make a complete recovery. In some cases it can be fatal or a person may be left with a permanent disability.

- How is bacterial meningitis spread?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when

people exchange saliva (such as by kissing, sharing drinking containers, utensils, or cigarettes).

The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks, or even months. The bacteria rarely overcome the body's immune system and cause meningitis or another serious illness.

- How can bacterial meningitis be prevented?

Do not share food, drinks, utensils, toothbrushes, or cigarettes. Limit the number of persons you kiss.

While there are vaccines for some other strains of bacterial meningitis, they are used only in special circumstances. These include when there is a disease outbreak in a community or for people traveling to a country where there is a high risk of getting the disease. Also, a vaccine is recommended by some groups for college students, particularly freshmen living in dorms or residence halls. The vaccine is safe and effective (85–90 percent). It can cause mild side effects, such as redness and pain at the injection site lasting up to two days. Immunity develops within seven to ten days after the vaccine is given and lasts for up to five years.

- What should you do if you think you or a friend might have bacterial meningitis?

You should seek prompt medical attention.

- Where can you get more information?

Your school nurse, family doctor, and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Department of State Health Services office to ask about a meningococcal vaccine. Additional information may also be found at the Web sites for the Centers for Disease Control and Prevention, <http://www.cdc.gov>, and the Department of State Health Services, <http://www.dshs.state.tx.us>.

Food Allergies

The district requests to be notified when a student has been diagnosed with a food allergy, especially those allergies that could result in dangerous or possibly life-threatening reactions either by inhalation, ingestion, or skin contact with the particular food. It is important to disclose the food to which the student is allergic, as well as the nature of the allergic reaction. Please contact the school nurse or campus principal if your child has a known food allergy or as soon as possible after any diagnosis of a food allergy.

School Health Advisory Council (SHAC)

During the preceding school year, the district's School Health Advisory Council meets periodically throughout the year. For additional information regarding the district's School Health Advisory Council contact Marilyn Leasure. [See also policies at BDF and EHAA.]

The duties of the SHAC range from recommending curriculum to developing strategies for integrating curriculum into a coordinated school health program encompassing school health services, counseling services, a safe and healthy school environment, recess recommendations, and employee wellness. See policies at BDF and EHAA.

[See **Removing a Student from Human Sexuality Instruction** for additional information.]

Other Health-Related Matters

Physical Fitness Assessment

Annually, the district will conduct a physical fitness assessment of students in grades 3–12 who are enrolled in a physical education course or a course for which physical education credit is awarded. At the end of the school year, a parent may submit a written request to Campus Physical Education Instructor to obtain the results of his or her child's physical fitness assessment conducted during the school year.

Vending Machines

The district has adopted policies and implemented procedures to comply with state and federal food service guidelines for restricting student access to vending machines. For more information regarding these policies and guidelines see the principal. [See policies at CO and FFA.]

Tobacco Prohibited

The district and its staff strictly enforce prohibitions against the use of tobacco products by students and others on school property and at school-sponsored and school-related activities. [See the Student Code of Conduct and policies at FNCD and GKA.]

Asbestos Management Plan

The district works diligently to maintain compliance with federal and state law governing asbestos in school buildings. A copy of the district's Asbestos Management Plan is available in the superintendent's office. If you have any questions or would like to examine the district's plan in more detail, please contact Max Tatum, the district's designated asbestos coordinator, at 940-553-1900.

Pest Management Plan

The district is required to follow integrated pest management (IPM) procedures to control pests on school grounds. Although the district strives to use the safest and most effective methods to manage pests, including a variety of non-chemical control measures, pesticide use is sometimes necessary to maintain adequate pest control and ensure a safe, pest-free school environment.

All pesticides used are registered for their intended use by the United States Environmental Protection Agency and are applied only by certified pesticide applicators. Except in an emergency, signs will be posted 48 hours before indoor application. All outdoor applications will be posted at the time of treatment, and signs will remain until it is safe to enter the area. Parents who have further questions or who want to be notified prior to pesticide application inside their child's school assignment area may contact Max Tatum, the district's IPM coordinator, at 940-553-1900.

HOMELESS STUDENTS

For more information on services for homeless students, contact the district's Liaison for Homeless Children and Youths, Trisha Dillingham, at 940-553-1900.

Homework

Homework may be assigned at the discretion of the teacher

IMMUNIZATION

A student must be fully immunized against certain diseases or must present a certificate or statement that, for medical reasons or reasons of conscience, including a religious belief, the student will not be immunized. For exemptions based on reasons of conscience, only official forms issued by the Texas Department of State Health Services (DSHS), Immunization Branch, can be honored by the district. This form may be obtained by writing the DSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347; or online at <https://webds.dshs.state.tx.us/immco/affidavit.shtm>. The form must be notarized and submitted to the principal or school nurse within 90 days of notarization. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student.

The immunizations required are: diphtheria, rubeola (measles), rubella (German measles), mumps, tetanus, pertussis, poliomyelitis (polio), hepatitis A, hepatitis B, varicella (chicken pox), and meningococcal. The school nurse can provide information on age-appropriate doses or on an acceptable physician-validated history of illness required by the Department of State Health Services. Proof of immunization may be established by personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

If a student should not be immunized for medical reasons, the student or parent must present a certificate signed by a U.S. licensed physician stating that, in the doctor's opinion, the immunization required poses a significant risk to the health and well-being of the student or a member of the student's family or household. This certificate must be renewed yearly unless the physician specifies a life-long condition. [For further information, see policy FFAB(LEGAL) and the Department of State Health Services Web site: <http://www.dshs.state.tx.us/immunize/school/default.shtm>.]

INCOMPLETE GRADES

1. A six-weeks "incomplete grade" must be made up within the next six-weeks reporting period, or the missing work will be given zero (0) credit and averaged with the other work. The length of time before a zero is recorded is at the discretion of the teacher.
2. Students who miss final exams will be required to take these exams in the school cafeteria at 1:00 PM on the first Thursday and Friday after school is dismissed for the year. Any deviations from this procedure should be approved by the principal.

LAW ENFORCEMENT AGENCIES

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the principal will cooperate fully regarding the conditions of the interview, if the questioning or interview is part of a child abuse investigation. In other circumstances:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student at school.
- The principal ordinarily will make reasonable efforts to notify the parents unless the interviewer raises what the principal considers to be a valid objection.

- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection.

Students Taken Into Custody

State law requires the district to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- By an authorized representative of Child Protective Services, Texas Department of Family and Protective Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Family Code relating to the student's physical health or safety.
- To comply with a properly issued directive to take a student into custody.

Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer's identity and, to the best of his or her ability, will verify the official's authority to take custody of the student.

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a student's release to a law enforcement officer, any notification will most likely be after the fact.

Notification of Law Violations

The district is required by state law to notify:

- All instructional and support personnel who have responsibility for supervising a student who has been arrested or referred to the juvenile court for any felony offense or for certain misdemeanors.
- All instructional and support personnel who have regular contact with a student who is required to register as a sex offender or who has been convicted, received deferred prosecution, received deferred adjudication, or was adjudicated for delinquent conduct for any felony offense or certain misdemeanors.

[For further information, see policies FL(LEGAL) and GRA(LEGAL).]

LIBRARY BOOKS LOST, DAMAGED OR OVERDUE

Students are required to pay for lost, damaged, or overdue books. The cost of books lost will be charged. The librarian will determine the fee for damaged books, with the fee not to exceed the original cost of the book. Fines for overdue library books are five cents (5 cents) per day for each day with the cost not to exceed \$5.00. Twenty-five cents (25 cents) for first period, ten cents (10 cents)

per period thereafter will be charged for overnight materials. No fines are collected for holidays, weekends, or excused absences.

LIMITED ENGLISH PROFICIENT STUDENTS

A student with limited English proficiency (LEP) is entitled to receive specialized services from the district. To determine whether the student qualifies for services, a Language Proficiency Assessment Committee (LPAC) will be formed, which will consist of both district personnel and at least one parent representative. The student's parent must consent to any services recommended by the LPAC for a LEP student.

In order to determine a student's level of proficiency in English, the LPAC will use information from a variety of assessments. If the student qualifies for services and once a level of proficiency has been established, the LPAC will then designate instructional accommodations or additional special programs the student will require to eventually become proficient at grade level work in English. Ongoing assessments will be conducted to determine a student's continued eligibility for the program.

The LPAC will also determine whether certain accommodations are necessary for any state-mandated assessments. The STAAR-L, as mentioned at **Standardized Testing**, below, may be administered to a LEP student. The Texas English Language Proficiency Assessment System (TELPAS) will also be administered to LEP students who qualify for services.

If a student is considered LEP and receives special education services because of a qualifying disability, the student's ARD committee will make these decisions.

MAKEUP WORK

Makeup Work Because of Absence

The teacher may assign the student makeup work for any class missed based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements.

A student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher. [For further information, see policy EIAB(LOCAL).]

A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.

A student will be permitted to make up tests and to turn in projects due in any class missed because of absence. Teachers may assign a late penalty to any long-term project in accordance with time lines approved by the principal and previously communicated to students.

DAEP Makeup Work

A student removed to a disciplinary alternative education program (DAEP) during the school year will have an opportunity to complete, before the beginning of the next school year, a foundation curriculum course in which the student was enrolled at the time of removal. The district may provide the opportunity to complete the course through an alternative method, including a correspondence course, another distance learning option, or summer school. The

district will not charge the student for any method of completion provided by the district. [See policy FOCA(LEGAL).]

In-school Suspension (ISS) Makeup Work

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The district may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The district will not charge the student for any method of completion provided by the district. [See policy FO(LEGAL).]

MEDICINE AT SCHOOL (V.I.S.D. board policy FFAC local)

District employees will not give a student prescription medication, nonprescription medication, herbal substances, anabolic steroids, or dietary supplements, with the following exceptions:

- Only authorized employees, in accordance with policies at FFAC, may administer:
 - Prescription medication, in the original, properly labeled container, provided by the parent, along with a written request.
 - Prescription medication from a properly labeled unit dosage container filled by a registered nurse or another qualified district employee from the original, properly labeled container.
 - Nonprescription medication, in the original, properly labeled container, provided by the parent along with a written request.
 - Herbal or dietary supplements provided by the parent only if required by the student's individualized education program (IEP) or Section 504 plan for a student with disabilities.
- In certain emergency situations, the district will maintain and administer to a student nonprescription medication, but only:
 - In accordance with the guidelines developed with the district's medical advisor; and
 - When the parent has previously provided written consent to emergency treatment on the district's form.

A student with asthma or severe allergic reaction (anaphylaxis) may be permitted to possess and use prescribed asthma or anaphylaxis medication at school or school-related events only if he or she has written authorization from his or her parent and a physician or other licensed health-care provider. The student must also demonstrate to his or her physician or health-care provider and to the school nurse the ability to use the prescribed medication, including any device required to administer the medication.

If the student has been prescribed asthma or anaphylaxis medication for use during the school day, the student and parents should discuss this with the school nurse or principal.

In accordance with a student's individual health plan for management of diabetes, a student with diabetes will be permitted to possess and use monitoring and treatment supplies and equipment

while at school or at a school-related activity. See the school nurse or principal for information. [See policy FFAF(LEGAL).]

Psychotropic Drugs

A psychotropic drug is a substance used in the diagnosis, treatment, or prevention of a disease or as a component of a medication. It is intended to have an altering effect on perception, emotion, or behavior and is commonly described as a mood- or behavior-altering substance.

Teachers and other district employees may discuss a student's academic progress or behavior with the student's parents or another employee as appropriate; however, they are not permitted to recommend use of psychotropic drugs. A district employee who is a registered nurse, an advanced nurse practitioner, a physician, or a certified or credentialed mental health professional can recommend that a student be evaluated by an appropriate medical practitioner, if appropriate. [For further information, see policies at FFAC.]

NATIONAL HONOR SOCIETY

VISD Board Policy FG (Local)

Vernon High School has a National Honor Society Chapter. Each year members are chosen by scholastic averages, leadership, service, and character (according to National Honor Society bylaws).

Criteria for Membership:

To be eligible for membership, a candidate must be a junior or a senior. The academic records of all junior and senior students will be reviewed to determine scholastic eligibility. Candidates must have a cumulative scholastic average of at least 90.0 for the preceding semesters with the exception of the freshman year. (Physical Education, Drivers Education, Clerical Internship, Laboratory Management, summer school, T.E.P., sports, credit recovery, and correspondence courses shall not be averaged).

Members shall after the freshman year have taken and must maintain at least one (1) Honors Course that counts for class rank, each semester. The candidate must have been in attendance at Vernon High School for at least one semester and must attend both induction practice and ceremony unless excused by the advisor.

DISMISSAL

1. The chapter advisor monitors members for compliance with obligations.
2. Members will receive a warning for noncompliance or infractions, the second warning will result in removal of the privilege of wearing the NHS stole at Baccalaureate and Commencement exercises.
3. For flagrant violations of civil law or school rules, no warning is necessary.
4. Disciplinary measures will be taken by faculty council and advisor.
5. Dismissal will be reserved for flagrant or chronic offenders.
6. Offenders will be given an opportunity to address the faculty council before they are dismissed.

NONDISCRIMINATION STATEMENT

In its efforts to promote nondiscrimination, Vernon ISD does not discriminate on the basis of race, religion, color, national origin, gender, or disability in providing education services, activities, and programs, including CTE programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Title II of the Americans with Disabilities Act of 1990 (ADA), as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended.

The following district representatives have been designated to coordinate compliance with these legal requirements:

- Title IX Coordinator, for concerns regarding discrimination on the basis of gender: Tom Woody, VISD Superintendent, 1713 Wilbarger Street, Vernon, TX 76384, (940) 553-1900
- ADA/Section 504 Coordinator, for concerns regarding discrimination on the basis of disability: Tom Woody, VISD Superintendent, 1713 Wilbarger Street, Vernon, TX 76384, (940) 553-1900
- All other concerns regarding discrimination: See the superintendent, Tom Woody, VISD Superintendent, 1713 Wilbarger Street, Vernon, TX 76384, (940) 553-1900

[See **Requirements for a Diploma.**]

PARTIES AND SOCIALS

VISD Board Policy FMD (Local)

The rules of good conduct and grooming shall be observed for school social events. Guests will be expected to observe the same rules as students attending the event; the person inviting the guest will share responsibility for the conduct of the guest. Students attending a party or social may be asked to sign out when leaving before the end of the party; anyone leaving before the official end of the party will not be readmitted. Specific rules will be posted for each event. Example: Anyone attending the Junior-Senior Banquet must be a junior or senior at VHS or be the sponsor of a junior or senior. Engaged junior or senior students may also attend if the engagement has been published in a newspaper.

PLEDGES OF ALLEGIANCE AND A MINUTE OF SILENCE

Each school day, students will recite the Pledge of Allegiance to the United States flag and the Pledge of Allegiance to the Texas flag. Parents may submit a written request to the principal to excuse their child from reciting a pledge. [See **Excusing a Student from Reciting the Pledges to the U.S. and Texas Flags.**]

One minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. [See policy EC(LEGAL) for more information.]

PRAYER

Each student has a right to individually, voluntarily, and silently pray or meditate in school in a manner that does not disrupt instructional or other activities of the school. The school will not encourage, require, or coerce a student to engage in or to refrain from such prayer or meditation during any school activity.

PROMOTION AND RETENTION

A student will be promoted only on the basis of academic achievement or demonstrated proficiency in the subject matter of the course or grade level, the recommendation of the student's teacher, the score received on any criterion-referenced or state-mandated assessment, and any other necessary academic information as determined by the district. To earn credit in a course, a student must receive a grade of at least 70 based on course-level or grade-level standards.

In grades 9-12, promotion is based on credits earned.

In addition, at certain grade levels a student—with limited exceptions—will be required to pass the Texas Assessment of Knowledge and Skills (TAKS), if the student is enrolled in a public Texas school on any day between January 1 and the date of the first administration of the TAKS.

In order to be promoted to grade 9, students enrolled in grade 8 must perform satisfactorily on the mathematics and reading sections of the grade 8 assessments in English. [See policies at EIE.]

Certain students—some with disabilities and some with limited English proficiency—may be eligible for exemptions, accommodations, or deferred testing. For more information, see the principal, counselor, or special education director.

A Personal Graduation Plan (PGP) will be prepared for any student in a middle school or beyond who did not perform satisfactorily on a state-mandated assessment or is determined by the district as not likely to earn a high school diploma before the fifth school year following enrollment in grade 9. The PGP will be designed and implemented by a guidance counselor, teacher, or other staff member designated by the principal. The plan will, among other items, identify the student's educational goals, address the parent's educational expectations for the student, and outline an intensive instruction program for the student. [For additional information, see the counselor or principal and policy EIF(LEGAL).]

PROTECTION OF STUDENT RIGHTS

No student will be required to participate without parental consent in any survey, analysis, or evaluation--funded in whole or in part by the U.S. Department of Education--that concerns:

- Political affiliations.
- Mental and psychological problems potentially embarrassing to the student or family.
- Sexual behavior and attitudes.
- Illegal, anti-social, self-incriminating, and demeaning behavior.
- Critical appraisals of other individuals with whom the student or the student's family has close family relationship.
- Relationships privileged under law, such as relationships with lawyers, physicians, and ministers.
- Income, except when the information will be used to determine the student's eligibility to participate in a special program or to receive financial assistance under such a program.

RELEASE OF STUDENTS FROM SCHOOL

Because class time is important, doctor's appointments should be scheduled, if possible, at times when the student will not miss instructional time.

A student who will need to leave school during the day must bring a note from his or her parent that morning and follow the campus sign-out procedures before leaving the campus. Otherwise, a student will not be released from school at times other than at the end of the school day.

Unless the principal has granted approval because of extenuating circumstances, a student will not regularly be released before the end of the instructional day.

If a student becomes ill during the school day, the student should receive permission from the teacher before reporting to the school nurse. The nurse will decide whether or not the student should be sent home and will notify the student's parent.

REPORT CARDS / PROGRESS REPORTS AND CONFERENCES

Report cards with each student's grades or performance and absences in each class or subject are issued to parents at least once every 6 weeks.

At the end of the first three weeks of a grading period, parents will be given a written progress report if their child's performance in any course is near or below 70, or is below the expected level of performance. If the student receives a grade lower than 70 in any class or subject at the end of a grading period, the parent will be requested to schedule a conference with the teacher of that class or subject. [See **Working Together** for how to schedule a conference.]

Teachers follow grading guidelines that have been approved by the principal pursuant to the board-adopted policy and are designed to reflect each student's relative mastery of each assignment for the grading period, semester, or course. State law provides that a test or course grade issued by a teacher cannot be changed unless the board determines that the grade was arbitrary or contains an error, or that the teacher did not follow the district's grading policy. [See policy EIA(LOCAL) and **Grading Guidelines**.]

Questions about grade calculation should first be discussed with the teacher; if the question is not resolved, the student or parent may request a conference with the principal in accordance with FNG(LOCAL).

RETALIATION

[See **Dating Violence, Discrimination, Harassment, and Retaliation**.]

SAFETY

Student safety on campus and at school-related events is a high priority of the district. Although the district has implemented safety procedures, the cooperation of students is essential to ensuring school safety. A student should:

- Avoid conduct that is likely to put the student or others at risk.
- Follow the behavioral standards in this handbook and the Student Code of Conduct, as well as any additional rules for behavior and safety set by the principal, teachers, or bus drivers.
- Remain alert to and promptly report to a teacher or the principal any safety hazards, such as intruders on campus or threats made by any person toward a student or staff member.
- Know emergency evacuation routes and signals.
- Follow immediately the instructions of teachers, bus drivers, and other district employees who are overseeing the welfare of students.

Accident Insurance VISD Board Policy FFD (Local)

At the beginning of the school year, the District will make available to students and parents a low-cost students accident insurance program. Premiums will be paid to and claims will be submitted through the Principal's office, but the District shall not be responsible for costs of treating injuries or assume liability for any other costs associated with an injury. Before participating in a school-sponsored trip outside the District or in school-sponsored athletics, students and parents must sign a form rejecting the insurance offer and waiving any claim against the District for any injury which may result.

Drills: Fire, Tornado, and Other Emergencies

From time to time, students, teachers, and other district employees will participate in drills of emergency procedures. When the alarm is sounded, students should follow the direction of teachers or others in charge quickly, quietly, and in an orderly manner.

Fire Drill Bells

- 3 bells leave the building
- 1 bell halt; stand at attention
- 2 bells return to the classroom

Tornado Drill Bells

- 1 continuous bell move quietly but quickly to the designated locations
- 2 bells return to the classroom

Emergency Medical Treatment and Information

If a student has a medical emergency at school or a school-related activity when the parent cannot be reached, the school may have to rely on written parental consent to obtain emergency medical treatment, and information about allergies to medications, foods, insect bites, etc. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the school nurse to update any information that the nurse or the teacher needs to know.

Emergency School-Closing Information

VISD Board Policy CKS (Local)

In the event of inclement weather, please listen to KVWC AM 1490 for instructions.

SAT, ACT, AND OTHER STANDARDIZED TESTS

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the counselor early during their junior year to determine the appropriate exam to take; these exams are usually taken at the end of the junior year. (Prior to enrollment in a Texas public college or university, most students must take a standardized test, such as the Texas Higher Education Assessment [THEA]). See **Standardized Testing**.

SCHOOL FACILITIES

Use by Students before and After School

Certain areas of the school will be accessible to students before and after school for specific purposes. Students are required to remain in the area where their activity is scheduled to take place.

The following areas are open to students before school, beginning at 7:15 a.m.

- Cafeteria
- Courtyard
- D.O. Fulton Gym

Unless the teacher or sponsor overseeing the activity gives permission, a student will not be permitted to go to another area of the building or campus.

After dismissal of school in the afternoon, and unless involved in an activity under the supervision of a teacher, students must leave campus immediately.

Conduct Before and After School

Teachers and administrators have full authority over student conduct at before- or after-school activities on district premises and at school-sponsored events off district premises, such as play rehearsals, club meetings, athletic practices, and special study groups or tutorials. Students are subject to the same rules of conduct that apply during the instructional day and will be subject to consequences established by the Student Code of Conduct or any stricter standards of behavior established by the sponsor for extracurricular participants.

Use of Hallways During Class Time

Loitering or standing in the halls during class is not permitted. During class time, a student must have a hall pass to be outside the classroom for any purpose. Failure to obtain a pass will result in disciplinary action in accordance with the Student Code of Conduct.

Cafeteria Services

The district participates in the School Breakfast Program and National School Lunch Program and offers students nutritionally balanced meals daily. Free and reduced-price meals are available based on financial need. Information about a student's participation is confidential. Forms are dispersed to all students at the beginning of the year, or may be obtained from the campus office.

The district follows the federal and state guidelines regarding foods of minimal nutritional value being served or sold on school premises during the school day. [For more information, see policy CO(LEGAL).]

Library

The library is a learning laboratory with books, computers, magazines, and other materials available for classroom assignments, projects, and reading or listening pleasure.

Meetings of Noncurriculum-Related Groups

Student-organized, student-led noncurriculum-related groups are permitted to meet during the hours designated by the principal before and after school. These groups must comply with the requirements of policy FNAB(LOCAL).

SCHOOL RECORDS

VISD Board Policy GBA, EHBA, FL (Local)

A student's school records are private and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the District until the student withdraws or graduates. This record moves with the student from school to school.

By law, both parents, whether married, separated, or divorced, have access to the records of student who is a minor or a dependent for tax purposes, as do students who are 18 years of age or older. A parent whose rights have been legally terminated will be denied access to the records if the school is given a copy of the court order terminating these rights.

The principal is custodian of all records for currently enrolled students at the assigned school. The Superintendent is the custodian of all records for students who have withdrawn or graduated. Records may be reviewed during regular school hours. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records. The phone numbers and addresses of the Superintendent and principals are listed on the front cover of this handbook.

Parents of a minor or of a student who is a dependent for tax purposes, the student (if eighteen or older), and school officials with legitimate educational interests are the only persons who have general access to a student's records. School officials include any employees, agents, or Trustees of the District, cooperatives, or contractual placement facilities, as well as their attorneys and consultants, who are:

1. Working with the student;
2. Considering disciplinary or academic actions, the student's case, or a handicapped student's individual education plan;
3. Compiling statistical data; or
4. Investigating or evaluating programs.

Certain other officials from various governmental agencies may have limited access to the records. The District forwards a student's record without prior consent on request to a school in which a student seeks or intends to enroll. Parental consent is required to release the records to anyone else. The right to consents the release of records transfers to the student when they reach the age of eighteen.

The parent's or student's right of access to, and copies of, student records does not extend to all records. Materials that are not considered educational records, such as teachers' personal notes on a student that are shared only with a substitute teacher and records on ex-students, do not have to be made available to the parents or student.

Students over eighteen and parents of minor students may inspect the student's records and request a correction if the records are inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. If the District refuses the request to amend the records, the requestor has the right to a hearing and to place in the student's record a statement commenting on the information. Although improperly recorded grades may be challenged, parents and students are not allowed to contest a student's grade in a course through this process. Parents or students have the right to file a complaint with the Superintendent if they feel that the District is not in compliance with the law regarding student records.

Copies of student records are available at a cost of 10 cents per page, payable in advance. Parents may be denied copies of a student's records (1) after the student reaches age 18 and is no longer a dependent for tax purposes; (2) when the student is attending an institution of post-secondary education; or (3) if the parent fails to follow proper procedures and pay the copying charge. If the student qualifies for free or reduced-price lunches and the parents are unable to view the records

during regular school hours, upon written request of the parent, one copy of the record will be provided at no charge.

Certain information about District students is considered directory information and will be released to anyone who follows procedures for requesting it, unless the parent objects in writing to the principal within ten school days after the issuance of this handbook.

SEARCHES

In the interest of promoting student safety and attempting to ensure that schools are safe and drug free, district officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law. Visits by drug dogs to schools will be unannounced. The dogs shall be used to sniff the air in vacant classrooms and other common areas and around student lockers and automobiles parked on school property. If the dog alerts to a particular locker, a car, or an item in classrooms or other common areas, it may be searched. If the dog alerts to a car, the student shall be asked, is necessary, to unlock the car doors and trunk for an internal inspection. If the student refuses, the parents shall be notified.

Students' Desks and Lockers

Students' desks and lockers are school property and remain under the control and jurisdiction of the school even when assigned to an individual student.

Students are fully responsible for the security and contents of their assigned desks and lockers. Students must be certain that their lockers are locked, and that the combinations are not available to others.

Searches of desks or lockers may be conducted at any time there is reasonable cause to believe that they contain articles or materials prohibited by policy, whether or not a student is present.

The parent will be notified if any prohibited items are found in the student's desk or locker.

Electronic Devices

Use of district-owned equipment and its network systems is not private and will be monitored by the district. [See policy CQ for more information.]

Any searches of personal telecommunications or other personal electronic devices will be conducted in accordance with law, and the device may be confiscated in order to perform a lawful search. A confiscated device may be turned over to law enforcement to determine whether a crime has been committed.

[See policy FNF(LEGAL) for more information.]

Vehicles on Campus

Vehicles parked on school property are under the jurisdiction of the school. School officials may search any vehicle any time there is reasonable cause to do so, with or without the permission of the student. A student has full responsibility for the security and content of his or her vehicle and must make certain that it is locked and that the keys are not given to others. [See also the Student Code of Conduct.]

Trained Dogs V.I.S.D. Policy FNFA (local)

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used around lockers and

the areas around vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

[For further information, see policy FNF(LOCAL).]

Searches by Drug Dogs

VISD Board Policy FNFA (Local)

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used around lockers and the areas around vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. An item in a classroom, a locker, or a vehicle to which a trained dog alerts may be searched by school officials.

Dog Handler

The dog handler selected shall use non-aggressive dogs trained to alert to illicit substances under policy FNCF (Local).

Drug-Testing

Students involved in extracurricular activities will be subject to random drug testing. This process will be determined in the Student Code of Conduct. Any questions will be addressed to the Administrative Office. [For further information, see policy FNF(LOCAL). Also see Steroids on page 59.]

SPECIAL PROGRAMS

VISD Board Policy EHBA, EHBB, EHBE (Local)

The District provides special programs for handicapped, gifted and talented, and bilingual students. Students or parents with questions about these programs should contact a building counselor; the coordinator of each program can answer questions about eligibility requirements and programs and services offered in the District or by other organizations.

Advanced Academics (Gifted and Talented). A variety of curriculum areas is offered at high school for the advanced academic students. Starting the freshman year we offer honors or pre-AP courses for English, math, science, and history. The pre-AP courses culminate in AP classes where the student is expected to take a rigorous test for college credit.

All students involved in the program will be required to take at least one honors, pre-AP, or AP course each semester in order to stay in the program. In that course, they will receive a curriculum that is differentiated especially for them and therefore will be challenged beyond the regular classroom. There is no limit to the number of honors, pre-AP, or AP courses that a student might take however only 12 currently count toward class rank and grade point average.

During the junior and senior year a student may choose to take a college course concurrently and thus receive both high school and college credit. This would count toward the one honors, pre-AP, or AP course required.

STANDARDIZED TESTING

SAT/ACT (Scholastic Aptitude Test and American College Test)

Many colleges require either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) for admission. Students are encouraged to talk with the counselor early during their junior year to determine the appropriate exam to take; these exams are usually taken at the end of the junior year.

The ACT or SAT may be available at no cost to students. In addition, students in grades 8 and 10 may have the opportunity to take the corresponding preparation assessments at no charge. Please check with the counselor for details.

End-of-Course (EOC) Assessments for Students in Grades 9–12

Beginning with ninth graders in the 2011–2012 school year, end-of-course (EOC) assessments will be administered for the following courses:

- Algebra I, Geometry, and Algebra II
- English I, English II, and English III
- Biology, Chemistry, and Physics
- World Geography, World History, and United States History

Satisfactory performance on the applicable assessments will be required for graduation and will also affect the plan under which the student may graduate.

Normally, there will be three testing windows during the year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months. For the 2011–2012 school year, however, there will be only the spring and summer administrations of the EOC assessments.

In each content area (English language arts, mathematics, science, and social studies), a student must achieve a cumulative score. To determine whether the student meets the cumulative score, the student's EOC assessment scores in each content area will be added together. If the student's total score on the assessments within the content area is not equal to or greater than the cumulative score set by TEA, the student may retake any of the assessments in that content area until the student achieves the cumulative score. A student who does not achieve the minimum required score on any individual assessment will be required to retake that assessment.

A student may choose to retake an EOC assessment in situations other than those listed above as well.

STAAR Modified and STAAR Alternate, for students receiving special education services, will be available for eligible students, as determined by the student's ARD committee. These particular EOC assessments may have different testing windows than the general assessments, and the ARD committee will determine whether successful performance on the assessments will be required for graduation.

STAAR-L, which is a linguistically accommodated assessment, will be available for students who have been determined to be limited English proficient (LEP) and who require this type of testing accommodation.

Additional information will be provided to students and parents prior to the spring 2012 administrations.

Also see **Course Credit**, **Grading Guidelines**, and **Graduation** for additional information.

TAKS (Texas Assessment of Knowledge and Skills)

TAKS is a state-mandated assessment currently being transitioned to the STAAR program. However, depending on the grade level of the student, TAKS may still be administered to a student.

For a student in grade 10 or 11 during the 2011–2012 school year, the student will be assessed with TAKS in the subject areas of mathematics, English/language arts, social studies, and science. The test at grade 11 is called “exit-level” TAKS, and satisfactory performance on this test is required for graduation.

Also see **Graduation** for more information.

THEA (Texas Higher Education Assessment)

Prior to enrollment in a Texas public college or university, most students must take a standardized test, such as the Texas Higher Education Assessment [THEA]. The purpose of the THEA is to assess the reading, mathematics, and writing skills that entering freshmen-level students should have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges and universities. This test may be required before a student enrolls in a dual-credit course offered through the district as well.

STEROIDS

State law prohibits students from possessing, dispensing, delivering, or administering an anabolic steroid. Anabolic steroids are for medical use only, and only a physician can prescribe use.

Body building, muscle enhancement, or the increase of muscle bulk or strength through the use of an anabolic steroid or human growth hormone by a healthy student is not a valid medical use and is a criminal offense.

Students participating in UIL athletic competition may be subject to random steroid testing. More information on the UIL testing program may be found on the UIL Web site at <http://www.uiltexas.org/health/steroid-information>.

STUDENTS IN PROTECTIVE CUSTODY OF THE STATE

The district strives to assist any student who has been placed in either temporary or permanent conservatorship (custody) of the state of Texas with the enrollment and registration process, as well as other educational services throughout the student’s enrollment in the district.

Please contact Trisha Dillingham, who has been designated as the district’s liaison for children in the conservatorship of the state, at 940-553-1900 or 2102 Yucca Lane, Vernon Texas 76384 with any questions.

STUDENT OFFICES AND ELECTIONS

Students desiring to be elected to an office or position at Vernon High School shall contact the organization's sponsor. Names of these sponsors may be obtained through the front office. It is strongly advised that students make contact with these sponsors early in the year and obtain a copy of the requirements for becoming a candidate and holding the office.

STUDENT SPEAKERS

Introductory Speakers

Student speakers shall introduce:

1. Football games
2. Opening announcements and greetings for the school day; and
3. Campus Based Assemblies

Eligibility and Selection

Only those students in the highest two grade levels of the school at which the student is publicly speaking and who hold one of the following positions of honor based on neutral criteria are eligible to use the limited public forum; student council officers, class officers of the highest grade level in the school, captains of the, athletic teams, band, NHS and Key Club. An eligible student shall be notified of the student's eligibility, and a student who wishes to participate as an introducing speaker shall submit the student's name to the campus principal during, an announced period of not less than three days.

The announced period shall occur at the beginning of each semester. The names of the volunteering student speakers shall be randomly drawn until all names have been selected, and the names shall be listed in the order drawn.

Assignment of Speakers

Each selected student shall be matched chronologically to the event for which the student shall be giving the introduction. Each student may rotate after each speaking event. The list of student speakers shall be chronologically repeated as needed, in the same order. The District may repeat the selection process each semester rather than once a year.

SUICIDE AWARENESS

The district is committed to partnering with parents to support the healthy mental, emotional, and behavioral development of its students. If you are concerned about your child, please access the following Web sites or contact the school counselor for more information related to suicide prevention and to find mental health services available in your area:

- www.texasuicideprevention.org
- <http://www.dshs.state.tx.us/mhservices-search/>

SUMMER SCHOOL

1. A student must have completed a core course and received a failing grade of 50 or above in order to attempt to receive credit in that course in summer school.

1. Students receiving a grade of less than 60 may apply to attend credit recovery in summer school. A fee may be assessed to cover district expenses.
2. Junior students failing any part of TAKS will be required to attend summer school.

TAKS (TEXAS ASSESSMENT OF KNOWLEDGE AND SKILLS)

In addition to routine tests and other measures of achievement, students at certain grade levels will take state-mandated assessments (such as TAKS: the Texas Assessment of Knowledge and Skills) in the following subjects:

- . Mathematics, annually in grades 3–11
- . Reading, annually in grades 3–9
- . Writing, including spelling and grammar, in grades 4 and 7
- . English language arts in grades 10 and 11
- . Social studies in grades 8, 10, and 11
- . Science in grades 5, 8, 10, and 11
- . Any other subject and grade required by federal law

[See policy EKB(LEGAL).]

TAKS-Accommodated, TAKS-Modified, and TAKS-Alternate for students receiving special education services are administered to eligible students.

Linguistically accommodated testing (LAT), as well as the Texas English Language Proficiency Assessment System (TELPAS) for students identified as limited English proficient, are also administered to eligible students.

TARDINESS

Tardies are not acceptable. Students that are tardy to class will be assigned to detention and/or Friday/Saturday School. Repeated instances of tardiness will result in more severe disciplinary action, in accordance with the *Student Code of Conduct*.

TEST EXEMPTION POLICY

All students, grades 9-12, are eligible for exemptions from semester exams if they meet **ALL** of the following criteria:

1. Students must have a semester average of 80 or higher.
2. Students must have 3 or less absences for the semester.
3. Students shall not have been suspended or assigned to ISS during that semester.
4. Students shall not have been assigned to DAEP during the entire current school year.

Courses with a state EOC exam will not have a semester exam, there are no exemptions for the EOC exam.

During the spring semester students are required to take their final exam in any course in which they failed their TAKS Test.

TEXTBOOKS, ELECTRONIC TEXTBOOKS, AND TECHNOLOGICAL EQUIPMENT

VISD Board Policy CMS (Local)

State-approved textbooks are provided to students free of charge for each subject or class. Books must be covered by the student, as directed by the teacher, and treated with care. Electronic textbooks and technological equipment may also be provided to students, depending on the course and course objectives. A student who is issued a damaged item should report the damage to the teacher. Any student failing to return an item in acceptable condition loses the right to free textbooks and technological equipment until the item is returned or paid for by the parent; however, the student will be provided textbooks and equipment for use at school during the school day.

TRANSFERS

[See **School Safety Transfers**, and **Options and Requirements for Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education Services**, for other transfer options.]

TRANSPORTATION

School-Sponsored Trips

Students who participate in school-sponsored trips are required to use transportation provided by the school to and from the event. The principal, however, may make an exception if the parent makes a written request that the student be released to the parent or to another adult designated by the parent.

Buses and Other School Vehicles

The district makes school bus transportation available to all students living two or more miles from school. This service is provided at no cost to students. Bus routes and any subsequent changes are posted at the school and on the district's Web site.

A parent may also designate a child-care facility or grandparent's residence as the regular pickup and drop-off location for his or her child. The designated facility or residence must be on an approved stop on an approved route. For information on bus routes and stops or to designate an alternate pickup or drop-off location, you may contact (940) 553-4922 or the transportation office.

See the Student Code of Conduct for provisions regarding transportation to the DAEP.

Students are expected to assist district staff in ensuring that buses remain in good condition and that transportation is provided safely. When riding in district vehicles, students are held to behavioral standards established in this handbook and the Student Code of Conduct. Students must:

- Follow the driver's directions at all times.
- Enter and leave the bus or van in an orderly manner at the designated stop.
- Keep feet, books, instrument cases, and other objects out of the aisle.

- Not deface the bus, van, or its equipment.
- Not put head, hands, arms, or legs out of the window, hold any object out of the window, or throw objects within or out of the bus or van.
- Not possess or use any form of tobacco on school buses.
- Observe all usual classroom rules.
- Be seated while the vehicle is moving.
- Fasten their seat belts, if available.
- Wait for the driver’s signal upon leaving the bus or van and before crossing in front of the vehicle.

Disciplinary sanctions and changes in transportation for a handicapped student shall be made in accordance with the provisions of the student's Individual Education Plan (IEP).

Misconduct will be punished in accordance with the Student Code of Conduct; bus-riding privileges may be suspended.

VANDALISM

The taxpayers of the community have made a sustained financial commitment for the construction and upkeep of school facilities. To ensure that school facilities can serve those for whom they are intended—both this year and for years to come—littering, defacing, or damaging school property is not tolerated. Students will be required to pay for damages they cause and will be subject to criminal proceedings as well as disciplinary consequences in accordance with the Student Code of Conduct.

VEHICLES ON CAMPUS

VISD Board Policy CLC (Local)

Before students will be allowed to park a vehicle on VISD property, a parking permit must be purchased for \$5.00 from the Vernon High School main office.

Vehicles parked on school property are under the jurisdiction of the school. The school reserves the right to search any vehicle if reasonable cause exists to do so without permission of the student. Students have full responsibility for the security of their vehicles and will make certain they are locked and that the keys are not given to others. Students will be held responsible for any prohibited objects or substances such as alcohol, drugs, and weapons that are found in their cars and will be subject to disciplinary action. Searches of vehicles, as well as general searches of school property, may be conducted at any time there is reasonable cause to do so, with or without the permission of the student. Violation of parking rules may forfeit the right to park on campus.

Vehicle Rules

The following rules will govern the use of automobiles/motorcycles:

1. Students are not allowed to sit in parked automobiles before school, at noon, or at any time during the school day.
2. Students are to observe speed limits near the campus
3. Students should enter and exit through the proper entrances and exits.

4. Students are responsible for any valuables left in vehicles.
5. Students are not allowed to park in faculty parking spaces.
6. Students should not park in front of the school or on Yampirika Street.
7. Students may not park on sidewalks or grassed areas.
8. Automobiles parked illegally in the parking lots, driveways, etc. or obstructing the normal flow of traffic, may be towed at the owner's expense.
9. Violation of parking rules may forfeit the right to park on campus.

Motorcycles may be parked in the front of the school with approval of administration.

VIDEO CAMERAS

For safety purposes, video/audio equipment may be used to monitor student behavior, including on buses and in common areas on campus. Students will not be told when the equipment is being used.

The principal will review the video/audio recordings routinely and document student misconduct. Discipline will be in accordance with the Student Code of Conduct.

VISITORS TO THE SCHOOL

VISD Board Policy CLA (Local)

Visitors are required to check in at the office and to conduct themselves according to the rules for students. Students absent from their own school may not visit another. The principal may request identification from any person on school property and may ask any person not having legitimate business to leave.

There will be no visitors to class.

Visitors Participating in Special Programs for Students

On High School Career Day, Vernon High School invites representatives from colleges and universities and other higher education institutions, prospective employers, and military recruiters to present information to interested students.

WITHDRAWING FROM SCHOOL

A student under 18 may be withdrawn from school only by a parent. The school requests notice from the parent at least three days in advance so that records and documents may be prepared. The parent may obtain a withdrawal form from the principal's office.

On the student's last day, the withdrawal form must be presented to each teacher for current grade averages and book and equipment clearance; to the librarian to ensure a clear library record; to the clinic for health records; to the counselor for the last report card and course clearance; and finally, to the principal. A copy of the withdrawal form will be given to the student, and a copy will be placed in the student's permanent record.

A student who is 18 or older, who is married, or who has been declared by a court to be an emancipated minor may withdraw without parental signature.

Glossary

Accelerated instruction is an intensive supplemental program designed to address the needs of an individual student in acquiring the knowledge and skills required at his or her grade level and/or as a result of a student not meeting the passing standard on a state-mandated assessment.

ACT refers to one of the two most frequently used college or university admissions exams: the American College Test. The test may be a requirement for admission to certain colleges or universities.

ARD is the admission, review, and dismissal committee convened for each student who is identified as needing a full and individual evaluation for special education services. The eligible student and his or her parents are members of the committee.

Attendance review committee is sometimes responsible for reviewing a student's absences when the student's attendance drops below 90 percent of the days the class is offered. Under guidelines adopted by the board, the committee will determine whether there were extenuating circumstances for the absences and whether the student needs to complete certain conditions to master the course and regain credit lost because of absences.

DAEP stands for disciplinary alternative education program, a placement for students who have violated certain provisions of the Student Code of Conduct.

EOC assessments are end-of-course tests, which are state-mandated, and are part of the STAAR program. Successful performance on EOC assessments will be required for graduation beginning with students in grade 9 during the 2011–2012 school year. These exams will be given in English I, English II, English III, Algebra I, Geometry, Algebra II, Biology, Chemistry, Physics, World Geography, World History, and United States History.

FERPA refers to the federal Family Educational Rights and Privacy Act that grants specific privacy protections to student records. The law contains certain exceptions, such as for directory information, unless a student's parent or a student 18 or older directs the school not to release directory information.

IEP is the written record of the individualized education program prepared by the ARD committee for a student with disabilities who is eligible for special education services. The IEP contains several parts, such as a statement of the student's present educational performance; a statement of measurable annual goals, with short-term objectives; the special education and related services and supplemental aids and services to be provided, and program modifications or support by school personnel; a statement regarding how the student's progress will be measured and how the parents will be kept informed; accommodations for state or districtwide tests; whether successful completion of state-mandated assessments is required for graduation, etc.

ISS refers to in-school suspension, a disciplinary technique for misconduct found in the Student Code of Conduct. Although different from out-of-school suspension and placement in a DAEP, ISS removes the student from the regular classroom.

LAT stands for linguistically accommodated testing, which is an assessment process for recent immigrant English language learners who are required to be assessed in certain grades and subjects under the NCLB Act.

NCLB Act is the federal No Child Left Behind Act of 2001.

PGP stands for Personal Graduation Plan, which is recommended for all students entering grade 9 and is required by state law for any student in middle school or higher who fails a section on a state-mandated test or is identified by the district as not likely to earn a high school diploma before the fifth school year after he or she begins grade 9.

SAT refers to one of the two most frequently used college or university admissions exams: the Scholastic Aptitude Test. The test may be a requirement for admissions to certain colleges or universities.

SHAC stands for School Health Advisory Council, a group of at least five members, a majority of whom must be parents, appointed by the school board to assist the district in ensuring that local community values and health issues are reflected in the district's health education instruction.

Section 504 is the federal law that prohibits discrimination against a student with a disability, requiring schools to provide opportunities for equal services, programs, and participation in activities. Unless the student is determined to be eligible for special education services under the Individuals with Disabilities Education Act (IDEA), general education with appropriate instructional accommodations will be provided.

STAAR is the State of Texas Assessments of Academic Readiness, the state's system of standardized academic achievement assessments, effective beginning with certain students for the 2011–2012 school year.

STAAR Alternate is an alternative state-mandated assessment designed for students with severe cognitive disabilities receiving special education services who meet the participation requirements, as determined by the student's ARD committee.

STAAR Modified is an alternative state-mandated assessment based on modified achievement standards that is administered to eligible students receiving special education services, as determined by the student's ARD committee.

STAAR Linguistically Accommodated (STAAR L) is an alternative state-mandated assessment with linguistic accommodations designed for certain recent immigrant English language learners.

State-mandated assessments are required of students at certain grade levels and in specified subjects. Successful performance sometimes is a condition of promotion, and passing the grade 11 exit-level test or end-of-course assessments, when applicable, is a condition of graduation. Students have multiple opportunities to take the tests if necessary for promotion or graduation.

Student Code of Conduct is developed with the advice of the district-level committee and adopted by the board and identifies the circumstances, consistent with law, when a student may be removed from the classroom or campus. It also sets out the conditions that authorize or require the principal or another administrator to place the student in a DAEP. It outlines conditions for out-of-school suspension and for expulsion. The Student Code of Conduct also addresses notice to the parent regarding a student's violation of one of its provisions.

TAKS is the Texas Assessment of Knowledge and Skills, the state's standardized achievement test currently given to students in certain subjects in grades 10 and 11 and required for graduation for students at these grade levels.

TELPAS stands for the Texas English Language Proficiency Assessment System, which assesses the progress that English language learners make in learning the English language, and is administered for those who meet the participation requirements in kindergarten–grade 12.

TxVSN is the Texas Virtual School Network, which provides online courses for Texas students to supplement the instructional programs of public school districts. Courses are taught by qualified instructors, and courses are equivalent in rigor and scope to a course taught in a traditional classroom setting.

UIL refers to the University Interscholastic League, the statewide voluntary nonprofit organization that oversees educational extracurricular academic, athletic, and music contests.
