Golf Team,

I am expecting a District Championship in 2012 from you, but we cannot wait until February to start. The weather is really nice right now, and you need to be playing as much as possible. I would like to see you play 27 holes per week at least. I know most of you are not involved in another sport right now, so I don't think that would be asking too much of you. You can play 9 holes in 1.5 hours, so you should have more than ample time to play. Please turn your scorecards in to Mitchell every Monday morning until I tell you differently.

I appreciate your cooperation, and look forward to seeing you soon. If there are any problems, please let me know. I hope to see you soon.
