## **Purpose**

The Student Code of Conduct is the district's response to the requirements of Chapter 37 of the Texas Education Code.

The Code provides methods and options for managing students in the classroom and on school grounds, disciplining students, and preventing and intervening in student discipline problems.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, suspension, placement in a disciplinary alternative education program (DAEP), or expulsion from school.

This Student Code of Conduct has been adopted by the Vernon Board of Trustees and developed with the advice of the district-level committee. This Code provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline.

In accordance with state law, the Code will be posted at each school campus or will be available for review at the office of the campus principal. Parents will be notified of any conduct violation that may result in a student being suspended, placed in a DAEP, or expelled.

Because the Student Code of Conduct is adopted by the district's board of trustees, it has the force of policy; therefore, in case of conflict between the Code and the student handbook, the Code will prevail.

**Please Note:** The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

## **School District Authority and Jurisdiction**

School rules and the authority of the district to administer discipline apply whenever the interest of the district is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The district has disciplinary authority over a student:

- During the regular school day and while the student is going to and from school on district transportation;
- During lunch periods in which a student is allowed to leave campus;
- While the student is in attendance at any school-related activity, regardless of time or location;
- For any school-related misconduct, regardless of time or location;
- When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location;
- When criminal mischief is committed on or off school property or at a school-related event;
- For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
- For certain offenses committed while on school property or while attending a school-sponsored or school-related activity of another district in Texas;
- When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
- When the student is required to register as a sex offender.

The district has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable cause to believe it contains articles or materials prohibited by the district.

Lockers and desks are subject to blanket searches or inspections by District administrators. Searches or inspections may be conducted at any time and without notice.

School administrators will report crimes as required by law and will call local law enforcement when an administrator suspects that a crime has been committed on campus.

The district has the right to revoke the transfer of a nonresident student for violating the district's Code.

## **Standards for Student Conduct**

Each student is expected to:

- Demonstrate courtesy, even when others do not.
- Behave in a responsible manner, always exercising self-discipline.
- Attend all classes, regularly and on time.
- Prepare for each class; take appropriate materials and assignments to class.
- Meet district and campus standards of grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of students, teachers, and other district staff and volunteers.
- Respect the property of others, including district property and facilities.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.
- Adhere to the requirements of the Student Code of Conduct.

## **General Conduct Violations**

The categories of conduct below are prohibited at school and all school-related activities, but the list does not include the most serious offenses. In the subsequent sections on Suspension, DAEP Placement, and Expulsion, severe offenses that require or permit specific consequences are listed. Any offense, however, may be serious enough to result in Removal from the Regular Educational Setting as detailed in that section.

Students shall not:

- Cheat or copy the work of another.
- Gamble.
- Falsify records, passes, or other school-related documents.
- Engage in actions or demonstrations that substantially disrupt or materially interfere with school activities.
- Repeatedly violate other communicated campus or classroom standards of conduct.

The district may impose campus or classroom rules in addition to those found in the Code. These rules may be posted in classrooms or given to the student and may or may not constitute violations of the Code.

### **Discipline Management Techniques**

Discipline will be designed to improve conduct and to encourage students to adhere to their responsibilities as members of the school community. Disciplinary action will draw on the professional judgment of teachers and administrators and on a range of discipline management techniques. Discipline will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, the effect of the misconduct on the school environment, and statutory requirements.

Because of these factors, discipline for a particular offense (unless otherwise specified by law) may bring into consideration varying techniques and responses.

### **Students with Disabilities**

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, state and/or federal law will prevail.

In accordance with the Education Code, a student who is enrolled in a special education program may not be disciplined for conduct meeting the definition of bullying, harassment, or making hit lists (see glossary) until an ARD committee meeting has been held to review the conduct.

In deciding whether to order suspension, DAEP placement, or expulsion the district will take into consideration a disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct.

### **Techniques**

The following discipline management techniques may be used—alone or in combination—for behavior prohibited by the Student Code of Conduct or by campus or classroom rules:

- Verbal (correction oral or written).
- Cooling-off time or “time-out.”
- Seating changes within the classroom.
- Temporary confiscation of items that disrupt the educational process.
- Rewards or demerits.
- Behavioral contracts.
- Counseling by teachers, counselors, or administrative personnel.
- Parent-teacher conferences.
- Grade reductions as permitted by policy.
- Detention.
- Sending the student to the office or other assigned area, or to in-school suspension.
- Assignment of school duties such as cleaning or picking up litter.
- Withdrawal of privileges, such as participation in extracurricular activities, eligibility for seeking and holding honorary offices, or membership in school-sponsored clubs and organizations.
- Penalties identified in individual student organizations' extracurricular standards of behavior.
- Withdrawal or restriction of bus privileges.
- School-assessed and school-administered probation.
- Corporal punishment.
- Saturday school.
- Out-of-school suspension, as specified in the Suspension section of this Code.
- Placement in a DAEP, as specified in the DAEP section of this Code.
- Placement and/or expulsion in an alternative educational setting, as specified in the Placement and/or Expulsion for Certain Serious Offenses section of this Code.
- Expulsion, as specified in the Expulsion section of this Code.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the district.
- Other strategies and consequences as determined by school officials.

### **Notification**

The principal or appropriate administrator will notify a student's parent by phone or in writing of any violation that may result in a suspension, placement in a DAEP, or expulsion. Notification will be made within three school days after the administrator becomes aware of the violation.

### **Appeals**

Parental questions or complaints regarding disciplinary measures should be addressed to the teacher or campus administration, as appropriate, and in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office or the central administration office or through Policy On Line at the following address: [www.vernonisd.org](http://www.vernonisd.org).

Consequences will not be deferred pending the outcome of a grievance.

### **Removal from the Regular Educational Setting**

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

## **Routine Referral**

A routine referral occurs when a teacher sends a student to the principal's office as a discipline management technique. The principal may then employ additional techniques.

## **Formal Removal**

A teacher or administrator **may** remove a student from class for a behavior that violates this Code to maintain effective discipline in the classroom. A teacher **may** also initiate a formal removal from class if:

- The student's behavior has been documented by the teacher as repeatedly interfering with the teacher's ability to teach his or her class or with the student's classmates' ability to learn; or
- The behavior is so unruly, disruptive, or abusive that the teacher cannot teach, and the students in the classroom cannot learn.

A teacher or administrator **must** remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion will be followed. Otherwise, within three school days of the formal removal, the appropriate administrator will schedule a conference with the student's parent; the student; the teacher, in the case of removal by a teacher; and any other administrator.

At the conference, the appropriate administrator will inform the student of the misconduct for which he or she is charged and the consequences. The administrator will give the student an opportunity to give his or her version of the incident.

When a student is removed from the regular classroom by a teacher and a conference is pending, the principal may place the student in:

- Another appropriate classroom
- In-school suspension
- Out-of-school suspension
- DAEP

## **Returning Student to Classroom**

When a student has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, aggravated sexual assault, murder, capital murder, or criminal attempt to commit murder or capital murder, the student may not be returned to the teacher's class without the teacher's consent.

When a student has been formally removed by a teacher for any other conduct, the student may be returned to the teacher's class without the teacher's consent, if the placement review committee determines that the teacher's class is the best or only alternative available.

## **Suspension**

### **Misconduct**

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

In deciding whether to order suspension, the district will take into consideration:

- Self-defense (see glossary),
- Intent or lack of intent at the time the student engaged in the conduct, and
- The student's disciplinary history.

### **Process**

State law allows a student to be suspended for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student will have an informal conference with the appropriate administrator who shall advise the student of the conduct of which he or she is accused. The student will be given the opportunity to explain his or her version of the incident before the administrator's decision is made.

The number of days of a student's suspension will be determined by the appropriate administrator, but will not exceed three school days.

The appropriate administrator will determine any restrictions on participation in school-sponsored or school-related extracurricular and co-curricular activities.

### **Disciplinary Alternative Education Program (DAEP) Placement**

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in DAEP in addition to the expulsion.

In deciding whether to order placement in a DAEP, the district will take into consideration:

- Self-defense (see glossary),
- Intent or lack of intent at the time the student engaged in the conduct, and
- The student's disciplinary history.

### **Discretionary Placement: Misconduct That May Result in DAEP Placement**

A student **may** be placed in a DAEP for behaviors prohibited in the General Conduct Violations section of this Code.

### **Misconduct Identified in State Law**

In accordance with state law, a student **may** be placed in a DAEP for any one of the following offenses:

- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society or gang.
- Involvement in criminal street gang activity. (See glossary)
- Criminal mischief, not punishable as a felony.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief (see glossary) that the student has engaged in conduct punishable as a felony, other than those listed as offenses involving injury to a person in Title 5 (see glossary) of the Texas Penal Code, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process.

The appropriate administrator **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

### **Mandatory Placement: Misconduct That Requires DAEP Placement**

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. (See glossary)
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
  - Engages in conduct punishable as a felony.
  - Commits an assault (see glossary) under Penal Code 22.01(a)(1).
  - Sells, gives, or delivers to another person, or possesses, uses, or is under the influence of marijuana, a controlled substance, or a dangerous drug in an amount not constituting a felony offense, if the District

does not place the student in discretionary expulsion. (School-related felony drug offenses are addressed in the Expulsion section.) (See glossary for “under the influence”)

- Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol, if the conduct is not punishable as a felony offense, if the District does not place the student in discretionary expulsion. (School-related felony alcohol offenses are addressed in the Expulsion section.)
- Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals, if the District does not place the student in discretionary expulsion.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure.
- Engages in expellable conduct and is between six and nine years of age.
- Commits a federal firearms violation and is younger than six years of age.
- Engages in conduct that contains the elements of the offense of retaliation against any school employee or volunteer on or off school property. (Committing retaliation in combination with another expellable offense is addressed in the Expulsion section of this Code.)
- Engages in conduct punishable as a felony listed under Title 5 (see glossary) of the Texas Penal Code when the conduct occurs off school property and not at a school-sponsored or school-related event and:
  1. The student receives deferred prosecution (see glossary),
  2. A court or jury finds that the student has engaged in delinquent conduct (see glossary), or
  3. The superintendent or designee has a reasonable belief (see glossary) that the student engaged in the conduct.

### **Sexual Assault and Campus Assignments**

If a student has been convicted of continuous sexual abuse of a young child or children or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus, and if the victim's parent or another person with the authority to act on the behalf of the victim requests that the board transfer the offending student to another campus, the offending student shall be transferred to another campus in the district. If there is no other campus in the district serving the grade level of the offending student, the offending student will be transferred to a DAEP.

### **Emergencies**

In an emergency, the principal or the principal’s designee may order the immediate placement of a student in a DAEP for any reason for which placement in a DAEP may be made on a non-emergency basis.

### **Process**

Removals to a DAEP will be made by the Principal/Assistant Principal.

### **Conference**

When a student is removed from class for a DAEP offense, the appropriate administrator will schedule a conference within three school days with the student’s parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the appropriate administrator will inform the student, orally or in writing, of the reasons for the removal and will give the student an explanation of the basis for the removal and an opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the district may hold the conference and make a placement decision regardless of whether the student or the student’s parents attend the conference.

### **Placement Order**

After the conference, if the student is placed in the DAEP, the appropriate administrator will write a placement order. A copy of the DAEP placement order will be sent to the student and the student’s parent.

Not later than the second business day after the conference, the board's designee will deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code. If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code, the placement order will give notice of the inconsistency.

### **Length of Placement**

The duration of a student's placement in a DAEP will be determined by the Principal/Assistant Principal. The duration of a student's placement will be determined on a case-by-case basis. DAEP placement will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements. The maximum period of DAEP placement shall be one calendar year except as provided below.

### **Exceeds One Year**

Placement in a DAEP may exceed one year when a review by the district determines that:

- The student is a threat to the safety of other students or to district employees, or
- Extended placement is in the best interest of the student.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

### **Exceeds School Year**

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement. For placement in a DAEP to extend beyond the end of the school year, the Principal/Assistant Principal must determine that:

- The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
- The student has engaged in serious or persistent misbehavior (see glossary) that violates the district's Code.

### **Exceeds 60 Days**

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent will be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

### **Appeals**

Questions or complaints from parents regarding disciplinary measures should be addressed to the campus administration, in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office or the central administration office or through Policy On Line at the following address: [www.vernonisd.org](http://www.vernonisd.org).

Disciplinary consequences will not be deferred pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

### **Restrictions during Placement**

The district does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or co-curricular activity including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

A student placed in a DAEP will not be provided transportation unless he or she is a student with a disability who has transportation designated as a related service in the student's IEP.

For seniors assigned to a DAEP who are eligible to graduate, the placement in the program will continue through graduation, and the student will not be allowed to participate in the graduation ceremony and related graduation activities.

### **Placement Review**

A student placed in a DAEP will be provided a review of his or her status, including academic status, by the Principal/Assistant Principal at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan will also be reviewed. At the review, the student or the student's parent will be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

### **Additional Misconduct**

If during the term of placement in a DAEP the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator may enter an additional disciplinary order as a result of those proceedings.

### **Notice of Criminal Proceedings**

The office of the prosecuting attorney will notify the district if a student was placed in a DAEP for certain offenses including any felony, unlawful restraint, indecent exposure, assault, deadly conduct, terroristic threats, organized crime, certain drug offenses, or possession of a weapon, and:

- Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see glossary), or deferred prosecution will be initiated; or
- The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee will review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board will, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board will make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

### **Withdrawal during Process**

When a student violates the district's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the district before a placement order is completed, the district may complete the proceedings and issue a placement order. If the student then reenrolls in the district during the same or a subsequent school year, the district may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the appropriate administrator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

### **Newly Enrolled Students**

The district will continue the DAEP placement of a student who enrolls in the district and was assigned to DAEP in an open-enrollment charter school or another district.

A newly enrolled student with a DAEP placement from a district in another state will be placed as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

If the student was placed in a DAEP by a school district in another state for a period that exceeds one year, this district, by state law, will reduce the period of the placement so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the district determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

### **Emergency Placement**

When an emergency placement occurs, the student will be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student will be given the appropriate conference required for assignment to a DAEP.

### **Placement and/or Expulsion for Certain Serious Offenses**

#### **Registered Sex Offenders**

This section includes two categories of serious offenses for which the Education Code provides unique procedures and specific consequences.

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the administration must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement will be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interests of the district's students.

#### **Review Committee**

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the district shall convene a committee, in accordance with state law, to review the student's placement. The committee will recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

#### **Newly Enrolled Student**

If a student enrolls in the district during a mandatory placement as a registered sex offender, the district may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

## **Appeal**

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

## **Certain Felonies**

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student **may** be expelled and placed in either DAEP or JJAEP if the board or its designee makes certain findings and the following circumstances exist in relation to a felony offense under Title 5 (see glossary) of the Texas Penal Code. The student must:

- Have received deferred prosecution for conduct defined as a Title 5 felony offense;
- Have been found by a court or jury to have engaged in delinquent conduct for conduct defined as a Title 5 felony offense;
- Have been charged with engaging in conduct defined as a Title 5 felony offense;
- Have been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as a Title 5 felony offense; or
- Have received probation or deferred adjudication or have been arrested for, charged with, or convicted of a Title 5 felony offense.

The district may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred,
2. The location at which the conduct occurred,
3. Whether the conduct occurred while the student was enrolled in the district, or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

## **Hearing and Required Findings**

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

5. Threatens the safety of other students or teachers,
6. Will be detrimental to the educational process, or
7. Is not in the best interest of the district's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

## **Length of Placement**

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

## **Newly Enrolled Students**

A student who enrolls in the district before completing a placement under this section from another school district must complete the term of the placement.

## **Expulsion**

In deciding whether to order expulsion, the district will take into consideration:

- Self-defense (see glossary),
- Intent or lack of intent at the time the student engaged in the conduct, and
- The student's disciplinary history.

## **Discretionary Expulsion: Misconduct That May Result in Expulsion**

A student **may** be expelled for:

### **Any Location**

Engaging in the following no matter where it takes place:

- Conduct that contains the elements of assault under Penal Code 22.01(a)(1) in retaliation against a school employee or volunteer.

### **While in DAEP**

Engaging in serious offenses or persistent misbehavior (see glossary) that violates the district’s Code, while placed in a DAEP.

### **Mandatory Expulsion: Misconduct That Requires Expulsion**

A student **must** be expelled for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

### **Federal Law**

Bringing to school a firearm, as defined by federal law. “Firearm” under federal law includes:

- Any weapon (including a starter gun) that will, is designed to, or may readily be converted to expel a projectile by the action of an explosive.
- The frame or receiver of any such weapon.
- Any firearm muffler or firearm weapon.
- Any destructive device, such as any explosive, incendiary or poison gas bomb, or grenade.

### **Texas Penal Code**

Using, exhibiting, or possessing the following, as defined by the Texas Penal Code:

- A firearm (any device designed, made, or adapted to expel a projectile through a barrel by using the energy generated by an explosion or burning substance or any device readily convertible to that use).
- An illegal knife, such as a knife with a blade over 5½ inches; hand instrument, designed to cut or stab another by being thrown; dagger, including but not limited to a dirk, stiletto, and poniard; bowie knife; sword; or spear. Any knife including a pocketknife, is prohibited if it is used in a threatening manner or with intent to harm.

- Engaging in retaliation against a school employee or volunteer combined with one of the above-listed mandatory expulsion offenses, with the exception of a federal firearm offense, on or off school property or at a school-related activity.

### **Under Age Ten**

When a student under the age of ten engages in behavior that is expellable behavior, the student will not be expelled, but will be placed in a DAEP. A student under age six will not be placed in a DAEP unless the student commits a federal firearm offense.

### **Emergency**

In an emergency, the principal or the principal's designee may order the immediate expulsion of a student for any reason for which expulsion **may** be made on a non-emergency basis.

### **Process**

If a student is believed to have committed an expellable offense, the principal or other appropriate administrator will schedule a hearing within a reasonable time. The student's parent will be invited in writing to attend the hearing.

Until a hearing can be held, the principal may place the student in:

- Another appropriate classroom
- In-school suspension
- Out-of-school suspension
- DAEP

### **Hearing**

A student facing expulsion will be given a hearing with appropriate due process. The student is entitled to:

- Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the district,
- An opportunity to testify and to present evidence and witnesses in the student's defense, and
- An opportunity to question the district's witnesses.

After providing notice to the student and parent of the hearing, the district may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the Principal authority to conduct hearings and expel students.

### **Board Review of Expulsion**

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board will review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board will hear statements made by the parties at the review and will base its decision on evidence reflected in the record and any statements made by the parties at the review. The board will make and communicate its decision orally at the conclusion of the presentation. Consequences will not be deferred pending the outcome of the hearing.

### **Expulsion Order**

After the due process hearing, if the student is expelled, the board or its designee will deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the Principal will deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order will give notice of the inconsistency.

### **Length of Expulsion**

The length of an expulsion will be correlated to the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion will be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the district determines that:

- The student is a threat to the safety of other students or to district employees, or
- Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent or other appropriate administrator may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

### **Withdrawal during Process**

When a student has violated the district's Code in a way that requires or permits expulsion from the district and the student withdraws from the district before the expulsion hearing takes place, the district may conduct the hearing after sending written notice to the parent and student.

If the student then reenrolls in the district during the same or subsequent school year, the district may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the appropriate administrator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

### **Additional Misconduct**

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the appropriate administrator or the board may issue an additional disciplinary order as a result of those proceedings.

### **Restrictions during Expulsion**

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit will be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another district-approved program.

### **Newly Enrolled Students**

The district will continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the district, the district may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

- The out-of-state district provides the district with a copy of the expulsion order, and
- The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, the district will reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

- The student is a threat to the safety of other students or district employees, or
- Extended placement is in the best interest of the student.

### **Emergency Expulsion Procedures**

When an emergency expulsion occurs, the student will be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student will be given appropriate due process required for a student facing expulsion.

### **DAEP Placement of Expelled Students**

The district may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

---

### **Crisis Situations**

**Cell Phones:** Students are not to use their cell phones during a crisis situation *unless* they have something relevant to report concerning the crisis situation to school administrators or emergency personnel. To do otherwise would tie up the cell towers and make it impossible for emergency personnel to communicate. The phones may be confiscated if violations occur.

**Evacuation:** Students are not allowed to move from one evacuation site to another unless requested to do so by administration or emergency personnel.

---

### **Citations**

According to Texas Education Code 37.124, it is a Class C misdemeanor for students to disrupt classes, punishable by up to a \$500 fine. It is not the intent of Vernon Independent School District to ticket every minor infraction. Several measures are already in place to handle minor infractions, including detention, in-school-suspension, corporal punishment, out-of-school suspension, and assignment to the alternative education program. However, if a student disrupts through fighting, assaults on teachers or other students, failure to comply with teacher request, or abusive language, please be aware that your child may be issued a citation by the Vernon Police Department punishable by up to a \$500 fine effective Monday, October 25, 1999.

Through this system, you will be able to communicate with other schools, colleges, organizations, and people around the world through the Internet and other electronic information systems/networks. You will have access to hundreds of databases, libraries, and computer services all over the world.

With this educational opportunity comes responsibility. It is important that you read the District policy, administrative regulations, and agreement form and ask questions if you need help in understanding them. Please note that the Internet is a network of many types of communication and information networks. It is possible that you may run across areas of adult content and some material you (or your parents) might find objectionable. While the District will take reasonable steps to restrict access to such material, it is not possible to absolutely prevent such access. It will be your responsibility to follow the rules for appropriate use.

### **RULES FOR APPROPRIATE USE**

The District's technology resources will be used only for learning, teaching and administrative purposes consistent with the District's mission and goals. Commercial use of the District's system is strictly prohibited.

Other issues applicable to acceptable use are:

1. Copyright: All users are expected to follow existing copyright laws, copies of which may be found in each campus library.
2. Supervision and permission: A staff member only allows student use of the computers and computer network when supervised or granted permission.
3. Attempting to log on or logging on to a computer or email system by using another's password is prohibited: Assisting others in violating this rule by sharing information or passwords is unacceptable.

Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright laws, District policy, and administrative regulations.
4. System users may upload public domain programs to the system only with campus technology facilitator written permission. System users may also download public domain programs for their own use but may not redistribute a public domain program. System users are responsible for determining whether a program is in the public domain. Challenges will be settled by the campus technology facilitator.
